

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 20142 Borrower LLC
DOCKET NO.: 16-02876.001-R-1
PARCEL NO.: 07-02-207-051

The parties of record before the Property Tax Appeal Board are AMH 20142 Borrower LLC, the appellant, by attorney Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,577
IMPR.: \$41,142
TOTAL: \$45,719

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 1,646 square feet of living area. The dwelling was constructed in 2005. Features of the home include a full basement with finished area, central air conditioning and a fireplace. The property is located in Waukegan, Warren Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for nine comparable sales that were reported to be located from .01 to .95 of a mile from the subject.¹ The ten comparables were reported to consist of two-story dwellings that were built from 2005 to 2008. The comparables were reported to have two or

three bedrooms and two bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings were reported to range in size from 1,476 to 1,836 square feet of living area. The comparables sold from January 14, 2013 to July 31, 2015 for prices ranging from \$97,000 to \$135,900 or from \$52.83 to \$82.56 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$45,719. The subject's assessment reflects an estimated market value of \$137,874 or \$83.76 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16%.

The board of review presented information on six comparable sales with the same neighborhood code as the subject. Four of the comparables were located on the same street as the subject. The comparables are improved with two-story dwellings of frame construction. The dwellings were constructed from 2005 to 2008. Each dwelling has 1,646 square feet of living area. Each comparable has a full basement with finished area, central air conditioning, and a fireplace. The comparables sold from February 20, 2015 to March 31, 2016 for prices ranging from \$135,900 to \$150,000 or from \$82.56 to \$91.13 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties presented sale prices for 15 comparable properties. However, the Board finds the appellant's comparables #1, #3 through #5 and #7 through #9 sold from January 14, 2013 to October 30, 2014 and were considered to be dated in relation to the January 1, 2016 assessment date. As a result, the Board gave less weight to these comparables. The Board finds the best evidence of market value in the record to be the appellant's comparables #2 and #6 and the six board of review comparables. The Board finds these eight properties were very similar to the subject in location, age and living area and their sale dates were more proximate to the January 1, 2016 assessment date. The appellant's comparables #2 and #6 and the board of review comparables sold from December 31, 2014 to March 31, 2016 for prices ranging from \$135,000 to \$150,000 or from \$82.02 to \$91.13 per square foot of living area, land included, respectively. The subject's assessment reflects a market value of \$137,874 or \$83.76 per square foot of living area, including land, which falls near the lower end of the range established by the best comparable sales in this record. Based on this record, the Board finds the appellant was not able to demonstrate that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
