

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AH4R I IL LLC  
DOCKET NO.: 16-02881.001-R-1  
PARCEL NO.: 07-19-111-019

The parties of record before the Property Tax Appeal Board are AH4R I IL LLC, the appellant, by attorney Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$22,370  
**IMPR.:** \$53,140  
**TOTAL:** \$75,510

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 1,688 square feet of living area. The dwelling was constructed in 1993. Features of the home include a partial unfinished basement, central air conditioning, a fireplace and a 400 square-foot attached garage. The property has an 11,761 square-foot site and is located in Gurnee, Warren Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for ten comparable sales.<sup>1</sup> The properties have from 6,345 to 15,682 square feet of land area and were reported as being located from 0.08 to 0.53 of a mile from the subject. The comparables were reported to consist of one or two-story dwellings that were built

from 1986 to 2003. The comparables were reported to have three or four bedrooms and one or two bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings were reported to range in size from 1,416 to 1,859 square feet of living area. The comparables sold from January 2013 to July 2015 for prices ranging from \$142,500 to \$218,000 or from \$80.28 to \$130.94 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$75,510. The subject's assessment reflects an estimated market value of \$227,714 or \$134.90 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16%.

The board of review presented information on six comparable sales that have the same assigned neighborhood code as the subject. The properties have from 7,841 to 11,761 square feet of land area and were reported as being located from 0.073 to 0.273 of a mile from the subject. The comparables are improved with two-story dwellings of frame construction. The dwellings were constructed from 1993 to 1995 and have either 1,692 or 1,694 square feet of living area. Five of the comparables have full or partial basements with finished areas, and one comparable has a partial unfinished basement. Each comparable has central air conditioning and an attached garage with 400 or 441 square feet of building area. Four comparables have a fireplace. The comparables sold from July 2015 to June 2016 for prices ranging from \$228,000 to \$261,500 or from \$134.59 to \$154.55 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties presented sale prices for 16 comparable properties. The Board finds that seven of the appellant's comparables (#1 through #6 and #10) sold from January 2013 to June 2014. The Board gave less weight to these comparables, because their sales were considered to be dated in relation to the January 1, 2016 assessment date. The Board finds the best evidence of market value in the record to be the appellant's comparables #7 through #9 and the six board of review comparables. The Board finds these nine properties were similar to the subject in location, age and living area and they sold more proximate to the January 1, 2016 assessment date. These comparables sold from January 2015 to June 2016 for prices ranging from \$148,000 to \$261,500 or from \$83.71 to \$154.55 per square foot of living area, land included, respectively. The subject's assessment reflects a market value of \$227,714 or \$134.90 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this record, the Board finds the appellant was not able to demonstrate that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
