

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 20142 Borrower LLC
DOCKET NO.: 16-02891.001-R-1
PARCEL NO.: 09-02-316-023

The parties of record before the Property Tax Appeal Board are AMH 20142 Borrower LLC, the appellant, by attorney Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,380
IMPR.: \$33,554
TOTAL: \$40,934

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl-siding construction with 1,544 square feet of living area. The dwelling was constructed in 2007. Features of the home include central air conditioning and a basement with 292 square feet of finished area and a 380 square-foot garage. The property has a 2,261 square-foot site and is located in Volo, Wauconda Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for three comparable sales.¹ The properties have 1,333 square feet of land area and were reported as being located within 0.04 of a mile from the subject. The three

comparables were reported to consist of two-story dwellings that were built in 2007 or 2012. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings were reported to have either 1,320 or 1,544 square feet of living area. The comparables sold in February or March 2013 for prices ranging from \$85,000 to \$119,540 or from \$64.39 to \$88.64 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$40,934. The subject's assessment reflects an estimated market value of \$123,444 or \$79.95 per square foot of living area, land included when applying the 2016 three-year average median level of assessment for Lake County of 33.16%.

The board of review presented information on four comparable sales with the same neighborhood code as the subject. The properties have from 1,333 to 2,261 square feet of land area and were reported as being located within 0.10 of a mile from the subject. The comparables are improved with two-story dwellings of vinyl-siding construction. The dwellings were constructed in 2007 and have 1,544 square feet of living area. Each dwelling has central air conditioning and a basement with 292 square feet of finished area and a 380 square-foot garage. The comparables sold from May 2015 to May 2016 for prices ranging from \$115,000 to \$143,500 or from \$74.48 to \$92.94 per square foot of living area, land included. As part of the submission, the board of review indicated comparable #1 sold as an "FNMA foreclosure sale." Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties presented sale prices for seven comparable properties. The Board gave less weight to the appellant's comparables, because these properties sold in 2013 and were considered to be dated in relation to the January 1, 2016 assessment date. The Board finds the best evidence of market value in the record to be the board of review comparables. The Board finds these properties were nearly identical to the subject and sold more proximate to the January 1, 2016 assessment date. These comparables sold from May 2015 to May 2016 for prices ranging from \$115,000 to \$143,500 or from \$74.48 to \$92.94 per square foot of living area, land included. The subject's assessment reflects a market value of \$123,444 or \$79.95 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on this record, the Board finds the appellant was not able to demonstrate that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
