

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AH4RPF0UR LLC
DOCKET NO.: 16-02897.001-R-1
PARCEL NO.: 11-31-303-013

The parties of record before the Property Tax Appeal Board are AH4RPF0UR LLC, the appellant, by attorney Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,945
IMPR.: \$48,071
TOTAL: \$53,016

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame construction with 2,112 square feet of living area. The dwelling was constructed in 2006. Features of the home include a full unfinished basement, central air conditioning and a 380 square-foot garage. The property has a 5,000 square-foot site and is located in Mundelein, Libertyville Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for five comparable sales.¹ The properties have from 4,780 to 43,560 square feet of land area and were reported as being located from 0.32 to 0.67 of a mile from the subject. The comparables were reported to consist of 1-story or 2-story dwellings that were built from 1933 to 1954. The comparables were reported to have three bedrooms and one or two

bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings were reported to range in size from 784 to 2,049 square feet of living area. The comparables sold from November 2013 to July 2015 for prices ranging from \$111,000 to \$156,500 or from \$59.20 to \$159.44 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$53,016. The subject's assessment reflects an estimated market value of \$159,879 or \$75.70 per square foot of living area, land included, when applying the 2016 three-year average median level of assessment for Lake County of 33.16%.

The board of review presented information on four comparable sales with the same neighborhood code as the subject. Board of review comparable #1 is the same property as the appellant's comparable #1. The properties have from 4,983 to 10,635 square feet of land area and were reported as being located from 0.151 to 0.320 of a mile from the subject. The comparables are improved with one 1-story, one tri-level and two 2-story dwellings of frame construction. The dwellings were constructed from 1920 to 1953; however, three of the comparables were reported to have effective ages ranging from 1958 to 1974. The dwellings have from 1,600 to 2,086 square feet of living area. The 1-story dwelling has a partial unfinished basement; the tri-level dwelling has a finished lower level; and the 2-story dwellings have crawl-space foundations. Two of the comparables have central air conditioning. The comparables have garages ranging from 360 to 552 square feet of building area. The comparables sold from June 2015 to March 2016 for prices ranging from \$156,500 to \$244,900 or from \$76.38 to \$117.40 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties presented sale prices for eight comparable properties, none of which were similar to the subject in age. The appellant's comparables #2 and #3 sold in June 2014 and November 2013, respectively, and received less weight in the Board's analysis, because their sales were considered to be dated in relation to the January 1, 2016 assessment date. Although none of the remaining comparables were particularly similar to the subject, the Board finds the appellant's comparables #1, #4 and #5 and the board of review comparables sold more proximate to the assessment date. These comparables sold from January 2015 to March 2016 for prices ranging from \$76.38 to \$159.44 per square foot of living area, land included. The subject's assessment reflects a market value of \$75.70 per square foot of living area, land included, which falls below the range established by the best comparable sales in this record. Based on this record, the Board finds the appellant was not able to demonstrate that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
