

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 20152 Borrower LLC
DOCKET NO.: 16-02932.001-R-1
PARCEL NO.: 02-15-202-016

The parties of record before the Property Tax Appeal Board are AMH 20152 Borrower LLC, the appellant, by attorney Michael R. Davies of the Law Offices of Michael R. Davies, Ltd., in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,233
IMPR.: \$75,986
TOTAL: \$90,219

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction that has 2,960 square feet of living area. The dwelling was constructed in 2007. Features include an unfinished basement, central air conditioning, a fireplace and 462 square foot garage. The subject has a 10,219-square foot site. The subject property is located in Antioch Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for 11 comparable sales that were reported to be located from .05 to .47 of a mile from the subject.¹ The comparables were reported to consist of two-story dwellings

that were built in 2005 or 2006. Four comparables have four bedrooms and each comparable has three bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings were reported to range in size from 2,576 to 3,317 square feet of living area and have sites that range in size from 6,599 to 28,166 square feet of land area. The comparables sold from January 2013 to March 2015 for prices ranging from \$198,000 to \$260,000 or from \$62.89 to \$97.67 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$90,219. The subject's assessment reflects an estimated market value of \$272,072 or \$91.92 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16%.

In support of the subject's assessment, the board of review submitted property record cards and a detailed comparative analysis of four comparable sales located from .089 to .267 of a mile from the subject. The comparables consist of two-story dwellings of wood siding exterior construction that were built in 2005 or 2006. The comparables have unfinished basements, central air conditioning, a fireplace and a garage that contains from 440 to 682 square feet of building area. The dwellings range in size from 2,657 to 2,807 square feet of living area that are situated on sites that range in size from 9,173 to 10,820 square feet of land area. The comparables sold from February 2015 to May 2017 for prices ranging from \$268,000 to \$300,000 or from \$100.30 to \$111.03 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

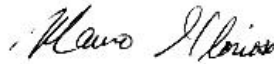

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains 15 comparable sales for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant. Eight comparables sold in 2013 or 2014, which are dated and less indicative of market value as of the subject's January 1, 2016 assessment date. In addition, the appellant's attorney failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages for comparison the subject, which further detracts from the weight of the evidence. The Board gave less weight to comparable #4 submitted by the board of review due to its sale in May 2017, well past the subject's January 1, 2016 assessment date. The Board finds the three remaining comparables submitted by the board of review sold more proximate in time to the subject's assessment date and are most similar when compared to the subject in location, land area, design, age, dwelling size and features. They sold from February 2015 to June 2016 for prices ranging from \$268,000 to \$292,500 or from \$100.30 to \$106.13 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$272,072 or \$91.92 per

square foot of living area including land, which falls within the range established by the most similar comparables on an overall basis and below the range on a per square foot basis. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
