

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 20142 Borrower LLC  
DOCKET NO.: 16-02952.001-R-1  
PARCEL NO.: 04-18-306-009

The parties of record before the Property Tax Appeal Board are AMH 20142 Borrower LLC, the appellant, by Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,159  
**IMPR.:** \$44,034  
**TOTAL:** \$50,193

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story single-family dwelling of vinyl siding exterior construction that has 1,995-square feet living area. The dwelling was constructed in 1999. Features include an unfinished basement, central air conditioning, a fireplace, and a 682-square foot garage. The subject has a 10,019-square foot site. The subject property is located in Zion Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for thirteen comparable sales that were reported to be located from .04 to .53 of a mile from the subject.<sup>1</sup> The comparables were reported to consist of two-story dwellings

built from 1994 to 2005 and were reported to have three or four bedrooms and two to three bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces and/or garages. The dwellings were reported to range in size from 1,780 to 2,276 square feet of living area and have sites ranging in size from 10,019 to 17,424 square feet of land area. The comparables sold from December 2012 to April 2015 for prices ranging from \$110,000 to \$150,000 or from \$50.80 to \$83.71 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$50,193. The subject's assessment reflects an estimated market value of \$151,366 or \$75.87 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16%.

In support of the subject's assessment, the board of review submitted information on four comparable sales located from .082 to .184 of a mile from the subject. The comparables consist of one, one-story dwelling and three, two-story dwellings of vinyl siding exterior construction built from 1994 to 2000. Each comparable has a full unfinished basement and central air conditioning; three comparables each have a fireplace; and each comparable has a garage ranging in size from 440 to 682 square feet of building area. The dwellings range in size from 1,809 to 2,250 square feet of living area and are situated on sites containing from 10,004 to 16,553 square feet of land area. The comparables sold from March 2015 to August 2016 for prices ranging from \$155,000 to \$193,000 or from \$76.44 to \$98.87 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains seventeen comparable sales for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant as eleven of those comparables sold from 2012 to 2014, which are dated and less indicative of market value as of the subject's January 1, 2016 assessment date. Moreover, the appellant's attorney failed to provide any specifics regarding the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces and/or garages for a comparative analysis, which further detracts from the weight of the evidence. The Board gave less weight to board of review comparable #3, which is a one-story structure, dissimilar to the subject. The Board finds that board of review comparables #1, #2 and #4 sold more proximate in time to the subject's assessment date and are similar to the subject in location, land area, age, dwelling size and features. They sold from March 2015 to August 2016 for prices ranging from \$155,000 to \$193,000 or from \$76.44 to \$98.87 per square foot of living area, including land. The subject's

assessment reflects an estimated market value of \$151,366 or \$75.87 per square foot of living area, including land, which falls below the range established by the most similar comparable sales contained in the record. After considering any adjustments to the comparables when compared the subject, the Board finds the subject's estimated market value as reflected by its assessment is justified and no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
