

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AH4R I IL LLC
DOCKET NO.: 16-02966.001-R-1
PARCEL NO.: 04-19-205-006

The parties of record before the Property Tax Appeal Board are AH4R I IL LLC, the appellant, by Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,997
IMPR.: \$41,032
TOTAL: \$49,029

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,160 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning, and a 400-square foot garage. The property has an 8,818 -square foot site and is located in Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted limited information on seven comparable sales, one of which, however, is the subject property. The Board requested that the appellant complete the grid analysis in Section V of the appeal petition. The appellant failed to comply with the Board's request and failed to disclose the comparables' exterior construction, design, foundation type or features such as central air conditioning, fireplaces and/or garages. The comparables sold from February 2013 to

March 2015 for prices ranging from \$108,000 to \$144,900 or from \$53.05 to \$65.09 per square foot of living area, land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,029. The subject's assessment reflects a market value of \$147,856 or \$68.45 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located from 0.09 to 0.34 of a mile from the subject. The comparables are two-story dwellings of vinyl siding exterior construction built from 2004 to 2008. The dwellings range in size from 2,160 to 2,356 square feet of living area and are situated on sites containing from 8,808 to 11,982 square feet of land area. The comparables each have central air conditioning and an unfinished basement; three comparables have a fireplace; and each comparable has a 400-square foot garage. The comparables sold from August 2015 to April 2017 for prices ranging from \$150,000 to \$185,000 or from \$67.45 to \$85.65 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten comparable sales for the Board's consideration, as one of appellant's comparables was the subject property. The Board gave less weight to the comparables submitted by the appellant as five of the comparables sold from 2013 to 2014, and are dated and less indicative of market value as of the subject's January 1, 2016 assessment date. Moreover, the appellant's attorney failed to provide any specifics regarding the comparables' story height, design, exterior construction, foundation type or features such as central air conditioning, fireplaces and/or garages for a comparative analysis, which further detracts from the weight of the evidence. The Board gave less weight to board of review comparable #3 which sold in April 2017, some sixteen months after the subject's January 1, 2016 assessment date, and is thus less indicative of market value. The Board finds that the board of review comparables #1, #2 and #4 sold more proximate in time to the subject's assessment date and are similar to the subject in location, land area, design, age, dwelling size and features. They sold from August 2015 to February 2016 for prices ranging from \$150,000 to \$181,000 or from \$67.45 to \$83.80 per square foot of living area, including land. The subject's assessment reflects an estimated market value of \$147,856 or \$68.45 per square foot of living area, including land, which is below the range established by the most similar comparable sales in this record on a market value basis and within the range on a per square foot basis. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
