

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: AH4RP One LLC
DOCKET NO.: 16-02968.001-R-1
PARCEL NO.: 05-15-102-054

The parties of record before the Property Tax Appeal Board are AH4RP One LLC, the appellant, by Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,161
IMPR.: \$19,885
TOTAL: \$23,046

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling with 1,036 square feet of living area. The dwelling was constructed in 2001. The property is located in Fox Lake, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted limited information on three comparable sales¹ located in Fox Lake. The comparables were built in 2001 or 2004 and each dwelling contains 1,036 square feet of living area. The comparables sold between January 2013 and December 2014 for prices ranging from \$55,000 to \$71,000, including land.

¹ Although four properties were listed in the appellant's evidentiary filing, comparable #1 was the subject property.

The appellant also submitted a copy of the decision of the board of review disclosing the subject property had a total assessment of \$24,946 reflecting a market value of \$75,229, including land, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

Based on the foregoing evidence, the appellant requested the subject's total assessment be reduced to \$12,823 which would reflect a market value of approximately \$38,670, including land.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found to be in default by a letter dated October 25, 2018.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the comparable sales submitted by the appellant. The Board has given reduced weight to appellant's comparable sale that occurred in January 2013 as the date of sale is remote in time and thus less likely to be indicative of the subject's estimated market value as of January 1, 2016.

The Board finds the best evidence of comparable sales to be the two comparables that sold in September and December 2014 for prices of \$68,000 and \$71,000 or for \$65.64 and \$68.53 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$75,229 or \$72.61 per square foot of living area, including land, which is above the best comparable sales in the record.

The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a).

The Property Tax Appeal Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
