

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AH4R IL 2
DOCKET NO.: 16-02975.001-R-1
PARCEL NO.: 05-23-406-003

The parties of record before the Property Tax Appeal Board are AH4R IL 2, the appellant, by attorney Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,922
IMPR.: \$69,544
TOTAL: \$82,466

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction that has 3,738 square feet of living area. The dwelling was constructed in 2005. Features include an unfinished basement, central air conditioning, a fireplace and a 588-square foot attached garage. The subject has a 12,000-square foot site. The subject property is located in Round Lake, Grant Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for 12 comparable sales that were reported to be located from .05 to .74 of a mile from the subject.¹ The comparables were reported to consist of one-story to two-story

dwelling, but the specific story height for each comparable was not disclosed. The dwellings were built from 1963 to 2004. The comparables were reported to have two to five bedrooms and two to three bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings were reported to range in size from 1,899 to 3,819 square feet of living area and have sites that range in size from 6,970 to 383,328 square feet of land area. The comparables sold from November 2012 to September 2015 for prices ranging from \$170,100 to \$245,000 or from \$51.10 to \$110.30 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$82,466. The subject's assessment reflects an estimated market value of \$248,691 or \$66.53 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16%.

In support of the subject's assessment, the board of review submitted four comparable sales located within .19 of a mile from the subject property. The comparables consist of two-story dwellings of frame exterior construction. The dwellings were built in 2003 or 2004. Features of the comparables include unfinished basements; central air conditioning and attached garages that each contain 588 square feet of building area. Two of the comparables have one fireplace. The dwellings contain 3,730 or 3,738 square feet of living area and are situated on sites that range in size from 12,000 to 14,348 square feet of land area. The comparables sold from March 2015 to December 2016 for prices ranging from \$259,000 to \$268,000 or from \$69.29 to \$71.85 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains 16 comparable sales for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant. Ten of the comparables sold from 2012 to 2014, which is dated and less indicative of market value as of the subject's January 1, 2016 assessment date. Moreover, the appellant's attorney failed to provide the comparables' specific story height, exterior construction, foundation type or features such as central air conditioning, fireplaces or garages for a comparative analysis, which further detracts from the weight of the evidence. The Board finds the comparables submitted by the board of review sold more proximate in time to the subject's assessment date and are more similar to the subject in location, age, land area, design, exterior construction, dwelling size and features. They sold from March 2015 to December 2016 for prices ranging from \$259,000 to \$268,000 or from \$69.29 to \$71.85 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$248,691 or \$66.53 per square foot of living area including land, which falls

below the range established by the most similar comparable sales contained in the record. After considering any adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is justified. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
