

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 4H4R IL LLC
DOCKET NO.: 16-02989.001-R-1
PARCEL NO.: 05-25-102-003

The parties of record before the Property Tax Appeal Board are 4H4R IL LLC, the appellant, by Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,911
IMPR.: \$64,361
TOTAL: \$73,272

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with 3,146 square feet of living area. The dwelling was constructed in 1999. The property has an 8,276 square foot site and is located in Round Lake, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted limited information on twelve comparable sales located in Round Lake. The comparables were built between 1999 and 2003 and range in size from 2,679 to 3,125 square feet of living area. The comparables sold between July 2013 and November 2015 for prices ranging from \$160,000 to \$218,000, including land.

The appellant also submitted a copy of the decision of the board of review disclosing the subject property had a total assessment of \$73,272 reflecting a market value of \$220,965, including land,

when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

Based on the foregoing evidence, the appellant requested the subject's total assessment be reduced to \$53,333 which would reflect a market value of approximately \$160,835, including land.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found to be in default by a letter dated October 25, 2018.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the only evidence of market value to be the comparable sales submitted by the appellant. The Board has given reduced weight to the three comparable sales that occurred in 2013 as the sales are remote in time to the assessment date at issue of January 1, 2016 and therefore are less likely to be indicative of market value as of the assessment date.

The Board finds the best evidence of market value in the record to be the remaining nine comparable sales of dwellings that were built between 1999 and 2003. These comparables range in size from 2,756 to 3,125 square feet of living area and thus are each smaller than the subject's size of 3,146 square feet of living area. These comparables sold between January 2014 and November 2015 for prices ranging from \$166,500 to \$218,000 or from \$58.75 to \$76.40 per square foot of living area, including land. The subject's assessment reflects a market value of \$220,965 or \$70.24 per square foot of living area, including land, which is above the best comparable sales in the record in terms of total value, but within the range of the best comparable sales on a per-square-foot basis.

The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a).

After considering the differences between the subject and best comparables in the record, the Board finds that the subject's slightly higher total market value is logical given the subject's larger dwelling size when compared to the best comparable sales. Therefore, the Property Tax Appeal Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
