

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AH4RPF0UR LLC  
DOCKET NO.: 16-02990.001-R-1  
PARCEL NO.: 05-24-312-004

The parties of record before the Property Tax Appeal Board are AH4RPF0UR LLC, the appellant, by Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,197  
**IMPR.:** \$50,046  
**TOTAL:** \$62,243

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling with 1,896 square feet of living area. The dwelling was constructed in 2000. The property has an 11,326 square foot site and is located in Round Lake, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted limited information on fifteen comparable sales located in Round Lake.<sup>1</sup> The comparables were built between 1999 and 2000 and range in size from 1,616 to 2,052 square feet of living area. The comparables sold between March 2012 and September 2015 for prices ranging from \$143,899 to \$195,000, including land.

---

<sup>1</sup> The grid analysis presented by the appellant included the subject property as comparable #1.

The appellant also submitted a copy of the decision of the board of review disclosing the subject property had a total assessment of \$65,371 reflecting a market value of \$197,138, including land, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

Based on the foregoing evidence, the appellant requested the subject's total assessment be reduced to \$47,966 which would reflect a market value of approximately \$144,650, including land.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found to be in default by a letter dated October 25, 2018.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the comparable sales submitted by the appellant. The Board has given reduced weight to the eight comparable sales that occurred in 2012 and 2013 as the sales are remote in time to the assessment date at issue of January 1, 2016 and therefore are less likely to be indicative of market value as of the assessment date.

The Board finds the best evidence of market value in the record to be seven comparable sales of dwellings that were built between 1999 and 2003. These comparables range in size from 1,616 to 2,036 square feet of living area and thus bracket the subject's size. These comparables sold between January 2014 and September 2015 for prices ranging from \$160,000 to \$195,000 or from \$86.44 to \$115.72 per square foot of living area, including land. The subject's assessment reflects a market value of \$197,138 or \$103.98 per square foot of living area, including land, which is above the best comparable sales in the record in terms of overall value and within the range of the best comparable sales on a per-square-foot basis. Giving most weight to the three comparables that range in size from 1,776 to 1,913 square feet of living area, the Board finds that the subject is overvalued based on its assessment since these most similar comparables sold for prices ranging from \$86.44 to \$101.93 per square foot of living area, including land.

The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Property Tax Appeal Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
