

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 20152 Borrower LLC
DOCKET NO.: 16-03016.001-R-1
PARCEL NO.: 06-25-112-005

The parties of record before the Property Tax Appeal Board are AMH 20152 Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP, in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,236
IMPR.: \$44,085
TOTAL: \$53,321

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with 1,608 square feet of living area. The dwelling was constructed in 1993. The property has a 5,227 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted limited information on 18 comparable sales located in Grayslake. The comparables were built between 1992 and 2000 and range in size from 1,441 to 1,842 square feet of above grade living area. The parcels range in size from 2,614 to 7,405 square feet of land area. The comparables sold between March 2013 and October 2015 for prices ranging from \$118,000 to \$169,000, including land.

The appellant also submitted a copy of the decision of the board of review disclosing the subject property had a total assessment of \$56,391 reflecting a market value of \$170,057, including land, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

Based on the foregoing evidence, the appellant requested the subject's total assessment be reduced to \$39,333 which would reflect a market value of approximately \$118,000, including land.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found to be in default by a letter dated November 1, 2018.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the comparable sales submitted by the appellant. The Board gives reduced weight to the five comparable sales that occurred in 2013 as the sales are remote in time to the assessment date at issue of January 1, 2016 and therefore are less likely to be indicative of market value as of the assessment date. The Board also gives reduced weight to the one comparable dwelling that contains 1,842 square feet of above grade living area given its larger dwelling size.

The Board finds the best evidence of market value in the record to be twelve comparable sales of dwellings that were built between 1993 and 2000. These comparables range in size from 1,474 to 1,750 square feet of living area and thus bracket the subject's size within approximately 150 square feet of above grade living area. These comparables sold between May 2014 and October 2015 for prices ranging from \$135,000 to \$169,000 or from \$87.21 to \$109.77 per square foot of above grade living area, including land. The subject's assessment reflects a market value of \$170,057 or \$105.76 per square foot of living area, including land, which is slightly above the best comparable sales in the record in terms of overall value.

The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a).

The Property Tax Appeal Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
