

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AH4RPF0UR LLC
DOCKET NO.: 16-03020.001-R-1
PARCEL NO.: 06-08-202-059

The parties of record before the Property Tax Appeal Board are AH4RPF0UR LLC, the appellant, by attorney Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,847
IMPR.: \$52,523
TOTAL: \$64,370

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part one-story, part two-story dwelling of frame exterior construction that has 2,041 square feet of living area. The dwelling was constructed in 1994. Features include a basement, central air conditioning, a fireplace and a 710-square foot attached garage. The subject has an 8,712-square foot site. The subject property is located in Round Lake Beach, Lake Villa Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for fourteen comparable sales that were reported to be located from .15 to .42 of a mile from the subject.¹ The comparables were reported to consist of one-story to two-

story dwellings, but the specific story height for each comparable was not disclosed. The dwellings were built from 1979 to 2001. The comparables were reported to have three to four bedrooms and one to two bathrooms. The appellant failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings were reported to range in size from 1,461 to 2,275 square feet of living area and have sites that range in size from 6,098 to 6,534,000 square feet of land area. The comparables sold from December 2012 to May 2015 for prices ranging from \$138,500 to \$190,000 or from \$77.69 to \$112.55 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$64,370. The subject's assessment reflects an estimated market value of \$194,119 or \$95.11 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16%.

In support of the subject's assessment, the board of review submitted six comparable sales² located within .52 of a mile from the subject property. The comparables consist of two-story dwellings of frame exterior construction. The dwellings were built from 1992 to 1995. Features include basements, four of which are finished; central air conditioning and attached garages that range in size from 380 to 420 square feet of building area. Five of the comparables have a fireplace. The dwellings range in size from 1,910 to 2,198 square feet of living area and are situated on sites that range in size from 6,098 to 10,019 square feet of land area. The comparables sold from May 2015 to April 2016 for prices ranging from \$187,000 to \$228,000 or from \$95.02 to \$103.73 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains 19 comparable sales for the Board's consideration with one comparable common to both parties. The Board gave less weight to the comparables submitted by the appellant. Twelve of the comparables sold from 2012 to 2014, which are dated and less indicative of market value as of the subject's January 1, 2016 assessment date. Moreover, the appellant's attorney failed to provide the comparables' specific story height, exterior construction, foundation type or features such as central air conditioning, fireplaces or garages for a comparative analysis, which further detracts from the weight of the evidence. The Board finds the comparables submitted by the board of review sold more proximate in time to the subject's assessment date and are more similar to the subject in location, age, land area, exterior construction, dwelling size and features. They sold from May 2015 to April 2016 for prices

ranging from \$187,000 to \$228,000 or from \$95.02 to \$103.73 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$194,119 or \$95.11 per square foot of living area including land, which falls within the range established by the most similar comparable sales contained in the record. After considering any adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is justified. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
