

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 20142 Borrower LLC  
DOCKET NO.: 16-03045.001-R-1  
PARCEL NO.: 06-22-208-012

The parties of record before the Property Tax Appeal Board are AMH 20142 Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP, in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 8,523  
**IMPR.:** \$28,757  
**TOTAL:** \$37,280

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling with 1,499 square feet of above grade living area. The dwelling was constructed in 1996. The property has a 1,742 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted limited information on 18 comparable sales located in Grayslake. The comparables were built between 1996 and 1999 and range in size from 1,291 to 1,519 square feet of above grade living area. The parcels contain either 1,307 or 1,742 square feet of land area. The comparables sold between January 2013 and October 2015 for prices ranging from \$75,000 to \$127,500, including land.

The appellant also submitted a copy of the decision of the board of review disclosing the subject property had a total assessment of \$43,154 reflecting a market value of \$130,139, including land, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

Based on the foregoing evidence, the appellant requested the subject's total assessment be reduced to \$25,000 which would reflect a market value of approximately \$75,000, including land.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property and was found to be in default by a letter dated November 1, 2018.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the comparable sales submitted by the appellant. The Board gives reduced weight to the nine comparable sales that occurred in 2013 as the sales are remote in time to the assessment date at issue of January 1, 2016 and therefore are less likely to be indicative of market value as of the assessment date. The Board has also given reduced weight to five comparables which each contain 1,291 square feet of above grade living area as compared to the larger subject dwelling containing 1,499 square feet of above grade living area.

The Board finds the best evidence of market value in the record to be four comparable sales, two of which are identical in size to the subject dwelling. These comparable dwellings range in size from 1,317 to 1,499 square feet of above grade living area and sold between September 2014 and August 2015 for prices ranging from \$112,000 to \$124,500 or from \$75.38 to \$94.53 per square foot of above grade living area. The subject's assessment reflects a market value of \$130,139 or \$86.82 per square foot of living area, including land, which is above the best comparable sales in the record in terms of overall value, but within the range on a per-square-foot basis.

The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a).

The Property Tax Appeal Board has examined the evidence submitted by the appellant and finds that a reduction in the assessed valuation of the subject property is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
