

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 20142 Borrower LLC  
DOCKET NO.: 16-03054.001-R-1  
PARCEL NO.: 06-29-400-234

The parties of record before the Property Tax Appeal Board are AMH 20142 Borrower LLC, the appellant, by attorney Michael R. Davies of the Law Offices of Michael R. Davies, Ltd., in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 2,554  
**IMPR.:** \$26,436  
**TOTAL:** \$28,990

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of vinyl siding exterior construction that has 1,448 square feet of living area. The dwelling was constructed in 1997. Features include a finished basement, central air conditioning, and a 420-square foot attached garage. The subject's site size was not disclosed. The subject property is located in Avon Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information on 14 comparable sales that were reported to be located from .02 to .10 of a mile from the subject.<sup>1</sup> The comparables were reported to consist of two-story dwellings that were built from 1994 to 1998. Six comparables were reported to have two or three

bedrooms and each comparable has two or three bathrooms. The appellant's attorney failed to disclose the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages. The dwellings range in size from 1,408 to 1,452 square feet of living area, but their sites sizes were not disclosed. The comparables sold from March 2013 to November 2015 for prices ranging from \$61,500 to \$85,000 or from \$42.47 to \$58.95 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,990. The subject's assessment reflects an estimated market value of \$87,425 or \$60.38 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16%.

In support of the subject's assessment, the board of review submitted property record cards, photographs and a detailed grid analysis of four comparable sales located from .059 to .152 of a mile from the subject. The comparables consist of the two-story dwellings of vinyl siding exterior construction that were built in 1994 or 1996. Two comparables have finished basements and two comparables do not have a basement. Other features include central air conditioning and attached garages that contain from 367 to 437 square feet of building area. One comparable has a fireplace. The dwellings range in size from 1,448 to 1,452 square feet of living area, but their sites sizes were not disclosed. The comparables sold from June 2015 to August 2016 for prices ranging from \$86,000 to \$113,000 or from \$59.23 to \$78.04 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains 18 comparable sales for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant. Eight comparables sold in 2013 or 2014, which are dated and less indicative of market value as of the subject's January 1, 2016 assessment date. Moreover, the appellant's attorney failed to provide the comparables' exterior construction, foundation type or features such as central air conditioning, fireplaces or garages for a comparative analysis to the subject, which further detracts from the weight of the evidence. The Board gave less weight to board of review comparables #1 and #2 due to their lack of a basement, inferior to the subject's finished basement. The Board finds comparables #3 and #4 submitted by the board of review sold more proximate in time to the subject's assessment date and are most similar when compared to the subject in location, design, age, dwelling size and features. They sold in August 2016 and March 2016 for prices of \$113,000 and \$86,000 or from \$78.04 and \$59.23 per square foot of living area including land, respectively. The subject's assessment reflects an estimated market value of \$87,425 or \$60.38 per square foot of living area

including land, which is supported by the two most similar comparable sales contained in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
