

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AH4RPFOUR LLC  
DOCKET NO.: 16-03066.001-R-1  
PARCEL NO.: 06-32-101-019

The parties of record before the Property Tax Appeal Board are AH4RPFOUR LLC, the appellant, by attorney Michael R. Davies of the Law Offices of Michael R. Davies, Ltd., in Oak Lawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,606  
**IMPR.:** \$41,177  
**TOTAL:** \$51,783

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 1,664-square feet of living area. The dwelling was constructed in 1997. Features include an unfinished basement, central air conditioning, a fireplace and a 420-square foot garage. The subject property has a 5,393-square foot site. The subject property is located in Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted limited descriptive information for ten comparable sales.<sup>1</sup> However, comparable #1 was the subject property. The appellant's attorney failed to disclose each of the comparables' specific story height, exterior construction, foundation type or features such as

central air conditioning, fireplaces or garages. The nine other comparables have dwellings that were built from 1994 to 1997; range in size from 1,200 to 1,849 square feet of living area; and have sites that range in size from 6,098 to 10,454 square feet of land area. The comparables sold from November 2012 to September 2015 for prices ranging from \$73,500 to \$155,000 or from \$49.76 to \$127.50 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$51,783. The subject's assessment reflects an estimated market value of \$156,161 or \$93.85 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16%.

In support of the subject's assessment, the board of review submitted a detailed descriptive analysis of four comparable sales located from .138 to .335 of a mile from the subject. The comparables consist of two-story dwellings of vinyl or wood siding exterior construction that were built from 1994 or 1998. The dwellings range in size from 1,477 to 1,849 square feet of living area and are situated on sites that contain from 6,000 to 8,194 square feet of land area. Three comparables have unfinished basements and one comparable has a partial finished basement. The comparable have central air conditioning; three comparables have a fireplace; and the comparables have garages that range in size from 400 to 441 square feet of building area. The comparables sold from March 2015 to June 2015 for prices ranging from \$161,000 to \$181,000 or from \$94.28 to \$109.00 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains 13 comparable sales for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant. Five of the comparables sold from 2012 to 2014, which are dated and less indicative of market value as of the subject's January 1, 2016 assessment date. Moreover, the appellant's attorney failed to provide any specifics regarding the comparables' story height, exterior construction, foundation type or features such as central air conditioning, fireplaces or garages for comparative analysis, which further detracts from the weight of the evidence. The Board gave less weight to comparable #3 submitted by the board of review due to superior finished basement area when compared to the subject. The Board finds the remaining three comparables submitted by the board of review sold more proximate in time to the subject's assessment date and are more similar to the subject in location, land area, design, age, dwelling size and most features. They sold from March 2015 or June 2015 for prices ranging from \$161,000 to \$179,000 or from \$94.28 to \$109.00 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$156,161 or \$93.85 per square foot of living area including land, which falls below the range established by

the most similar comparable sales contained in this record. Based on this analysis, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
