

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Keith Onysio  
DOCKET NO.: 16-03091.001-R-1  
PARCEL NO.: 15-20-404-001

The parties of record before the Property Tax Appeal Board are Keith Onysio, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$41,087  
**IMPR.:** \$88,900  
**TOTAL:** \$129,987

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 1,903 square feet of living area. The dwelling was constructed in 1989. Features of the home include a partial basement with finished area, central air conditioning, a fireplace and a 441 square foot attached garage. The property has a 11,481 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on 3 comparable sales located from .39 to .56 of a mile from the subject property. The comparables are described as two-story dwellings of frame exterior construction that contain 2,355 to 2,370 square feet of living area. The dwellings were constructed in 1988. Features of the comparables include basements in which two comparables have finished area, central air conditioning; two comparables have a fireplace and attached

garages with 440 square feet of building area. The comparables have sites ranging in size from 10,225 to 12,494 square feet of land area. The comparables sold from May 2015 to September 2015 for prices ranging from \$437,000 to \$460,000 or from \$184.39 to \$195.33 per square foot of living area including land. Based on this evidence, the appellants requested a reduction in the subject's total assessment to \$125,586.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$129,987. The subject's assessment reflects a market value of \$391,999 or \$205.99 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located from .1 to .681 of a mile from the subject property. Comparable sale #2 was also utilized by the appellant. The comparables are improved with two-story dwellings of frame exterior construction that range in size from 1,901 to 2,370 square feet of living area. The dwellings were constructed from 1988 to 1990. Features of the comparables include basements in which three comparables have finished area, central air conditioning, a fireplace and attached garages that range in size from 740 to 741 square feet of building area. The comparables have sites ranging in size from 10,225 to 11,753 square feet of land area. The comparables sold from May 2015 to August 2016 for prices ranging from \$407,500 to \$488,000 or from \$184.39 to \$214.36 per square foot of living area including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted 6 suggested sale comparables for consideration. The Board gave less weight to the appellant's comparable sale #1 which is board of review's comparable sale #2 due to its unfinished basement as compared to the subject

The Board finds the best evidence of market value to be appellant's comparable sales #2 and #3 along with the board of review comparable sales #1, #3 and #4. The Board finds these comparables are most similar to the subject in location, site size, design, age, dwelling size, and features. These properties also sold most proximate in time to the January 1, 2016 assessment date. The comparables sold from May 2015 to August 2016 for prices ranging from \$407,500 to \$460,000 or from \$190.45 to \$214.36 per square foot of living area including land. The subject's assessment reflects a market value of \$391,999 or \$205.99 per square foot of living area, including land which falls below the range for a total market value basis and within the range on a per square foot basis, as established by the most similar comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the

Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
