

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tobias Jayne
DOCKET NO.: 16-03101.001-R-1
PARCEL NO.: 15-21-401-018

The parties of record before the Property Tax Appeal Board are Tobias Jayne, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,827
IMPR.: \$149,999
TOTAL: \$192,826

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story single-family dwelling of wood-siding exterior construction with 3,003 square feet of living area. The dwelling was constructed in 1998. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 483-square foot attached garage. The property has a 11,761-square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The taxpayer's appeal is based on overvaluation. In support of this argument, the appellant submitted information on five comparable sales located from .04 to .27 of a mile from the subject property. The comparables are described as two-story single-family dwellings of wood-siding exterior construction ranging in size from 2,843 to 3,414 square feet of living area. The dwellings were constructed from 1996 to 1998. The comparables features a basement with two comparables having a finished area and all dwellings have central air conditioning; three dwellings have a fireplace and all comparables have attached garages ranging in size from 506 to 736 square feet of building area. The properties have sites ranging in size from 10,454 to 12,632

square feet of land area. The comparables sold from April 2015 to June 2016 for prices ranging from \$538,000 to \$580,000 or from \$164.03 to \$194.51 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment to \$187,168.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$192,826. The subject's assessment reflects a market value of \$581,502 or \$193.64 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located from .225 to .499 of a mile from the subject property. The comparables are improved with two-story single-family dwellings of wood-siding exterior construction that have either 3,001 or 3,105 square feet of living area. The dwellings were constructed in either 1996 or 1997. All the comparables features a basement with one comparables having a finished area; all of the dwellings have central air conditioning and two comparables have a fireplace; all the comparables have an attached garage ranging in size from 483 to 680 square feet of building area. The properties have sites ranging from 8,712 to 14,375 square feet of land area and they sold from June 2014 to July 2015 for prices ranging from \$595,000 to \$640,000 or from \$191.63 to \$213.26 per square foot of living area including land. Based on this evidence, the board of review requested that the subject property's assessment be affirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted a total of nine suggested sale comparables for the Board's consideration. The Board gave less weight to board of review comparables #2 through #4 due to their sale dates being in 2014 which are dated and thus less indicative of the market value as of the subject's January 1, 2016 assessment date.

The Board finds the best evidence of market value to be appellant's comparable sales and board of review comparable sale #1. The Board finds these comparables are most similar to the subject in location, site size, dwelling size, age, design and most features, but four comparables have inferior unfinished basements. These comparables sold from April 2015 to June 2016 for prices ranging from \$538,000 to \$604,000 or from \$164.03 to \$201.27 per square foot of living area including land. The subject's assessment reflects a market value of \$581,502 or \$193.64 per square foot of living area including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds that the appellant did not demonstrate

by a preponderance of the evidence that the subject was overvalued and. Therefore, the subject's estimated market value as reflected by its assessment is supported. Based on this record, the Board finds that no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
