

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Renee Clark  
DOCKET NO.: 16-03126.001-R-1  
PARCEL NO.: 15-31-201-064

The parties of record before the Property Tax Appeal Board are Renee Clark, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$42,373  
**IMPR.:** \$140,046  
**TOTAL:** \$182,419

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story single-family dwelling of brick exterior construction with 2,993 square feet of living area. The dwelling was constructed in 1987. Features of the home include a finished basement, central air conditioning, a fireplace and an 806-square foot attached garage. The property has a 40,157-square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted information on three comparable sales located from .08 to .69 miles from the subject property. The comparables are described as two-story single-family dwellings of brick exterior construction ranging in size from 3,100 to 3,748 square feet of living area. The dwellings were constructed from 1979 to 1987. Features of the comparables include full basements with a finished area, central air conditioning, one or two fireplaces and attached garages ranging in size from 713 to 1,025 square feet of building area. The comparables have sites ranging in size from 40,315 to 45,182 square feet of land area. The comparables sold from June 2015 to June 2016

for prices ranging from \$490,000 to \$585,000 or from \$134.47 to \$169.71 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment to \$169,586.

In support of the subject's assessment, the board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$182,419. The subject's assessment reflects a market value of \$550,118 or \$183.80 per square foot of living area including land when applying the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

The board of review submitted information on four comparable sales located from .635 to .929 miles from the subject property. The comparables are improved with two-story single-family dwellings of brick or wood-siding exterior construction that range in size from 2,902 to 3,174 square feet of living area. The dwellings were constructed in either 1979 or 1981. The comparables feature basements with a finished area, central air conditioning, one or two fireplaces and attached garages ranging in size from 528 to 1,025 square feet of building area. The comparables have sites ranging from 39,640 to 63,162 square feet of land area. The comparables sold from May 2015 to July 2016 for prices ranging from \$490,000 to \$673,000 or from \$158.06 to 231.91 per square foot of living area including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted six suggested sale comparables for the Board's consideration. The Board gave less weight to appellant's comparable #1 due to having larger living area when compared to the subject. The Board gave less weight to board of review comparables #1 and #4 due to having somewhat larger lot sizes in addition to being outside of the neighborhood code when compared to the subject.

The Board finds the remaining three comparables are most similar to the subject in location, site size, dwelling size, age, design and features. These comparables sold from June 2015 to July 2016 for prices ranging from \$490,000 to \$625,000 or from \$156.06 to \$209.17 per square foot of living area including land. The subject's assessment reflects a market value of \$550,118 or \$183.80 per square foot of living area including land, which falls within the range established by the most similar comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds that the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued. Therefore, the subject's estimated market value as reflected by its assessment is supported. Based on this record, the Board finds that no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
