

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Constance M. Gorny
DOCKET NO.: 16-03143.001-R-1
PARCEL NO.: 15-36-205-033

The parties of record before the Property Tax Appeal Board are Constance M. Gorny, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$61,135
IMPR.: \$278,062
TOTAL: \$339,197

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,677 square feet of living area. The dwelling was constructed in 1996. Features of the home include a full unfinished basement, central air conditioning, five fireplaces and a 682 square foot attached garage. The property has a 21,480 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's final assessment of \$339,197.

In support of the subject's assessment, the board of review submitted a copy of the Final Administrative Decision rendered by the Property Tax Appeal Board for the 2015 tax year in Docket No. 15-02578.001-R-1 resulting in a total assessment of \$317,214. The board of review explained that 2015 was the beginning of the general assessment cycle that runs through 2018. The board of review also asserted that the property is an owner-occupied dwelling. The board of review contends the subject's assessment for the 2016 tax year is equivalent to the assessment as established by the Property Tax Appeal Board multiplied the township equalization factor of 1.0693 in accordance with Section 16-185 of the Property Tax Code. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In further support of its contention of the correct assessment the board of review submitted information on four comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is not warranted.

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied dwelling and the 2015 through 2018 tax years are in the same general assessment period. An equalization factor of 1.0693 was applied in Vernon Township for the 2016 tax year. Furthermore, the 2015 decision of the Property Tax Appeal Board was not reversed or modified upon review and there was no evidence the property sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2015 decision, results in an assessment of \$339,197. ($\$317,214 \times 1.0693 = \$339,197$). The Board finds the 2016 assessment established by the board of review follows the dictates of section 16-185 of the Property Tax Code. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
