

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Carol Tarras
DOCKET NO.: 16-03167.001-R-1
PARCEL NO.: 16-10-407-016

The parties of record before the Property Tax Appeal Board are Carol Tarras, the appellant(s), by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,188
IMPR.: \$156,057
TOTAL: \$170,245

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling, first floor condominium of brick exterior construction with 2,001 square feet of living area. The dwelling was constructed in 1885. Features of the home include a basement with finished area, central air conditioning and a fireplace. The property is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from .05 to .25 of a mile from the subject property. The comparables are described as 1.5-story and two-story condominiums of brick exterior construction containing either 1,768 or 2,284 square feet of living area. The dwellings were constructed in 1885. Two of the comparables have basements. Additional features of the homes include central air conditioning and a fireplace. The comparables sold from March 2015 to January 2016 for prices ranging from \$385,000 to \$495,000 or from

\$216.73 to \$230.77 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$170,245. The subject's assessment reflects a market value of \$513,405 or \$256.57 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on six comparable sales located from .012 to .312 of a mile from the subject property. The comparables are improved with either one story or 1.5-story condominiums of brick exterior construction ranging in size from 1,985 to 2,561 square feet of living area. The dwellings were constructed in 1885. Five of the comparables have basements with finished areas. Additional features of the homes include central air conditioning and a fireplace. The comparables sold from April 2015 to May 2017 for prices ranging from \$550,000 to \$650,000 or from \$214.76 to \$319.20 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted nine suggested comparable sales for consideration. The Board gave less weight to the appellant's comparables and board of review comparable #6 due to their dissimilar style. Also, the appellant's comparable #3 and board of review comparable #6 are inferior to the subject because they do not have a basement. The Board also gave less weight to board of review comparable #1 based on its sale occurring in May 2017, which is 17 months after January 1, 2016 assessment date and less indicative of market value.

The Board finds the best evidence of market value to be board of review comparable sales #2, #3, #4 and #5. The Board finds these four comparables are most similar to the subject in design, age, dwelling size and most features. The comparables sold from April 2015 to August 2016 for prices ranging from \$585,000 to \$650,000 or from \$271.71 to \$307.30 per square foot of living area, including land. The subject's assessment reflects a market value of \$513,405 or \$256.57 per square foot of living area, including land, which falls below the range established by the most similar comparable sales in this record. After considering adjustments to the comparables for differences, when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
