

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diana Wiegand  
DOCKET NO.: 16-03203.001-R-1  
PARCEL NO.: 14-36-202-035

The parties of record before the Property Tax Appeal Board are Diana Wiegand, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$58,030  
**IMPR.:** \$131,890  
**TOTAL:** \$189,920

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 2,950 square feet of living area. The dwelling was constructed in 1994. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 792 square foot garage. The property has a 57,937 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from approximately .21 to .58 of a mile from the subject property. The comparables consist of two-story dwellings of brick exterior construction ranging in size from 3,309 to 3,796 square feet of living area. The dwellings were constructed in 1974 or 1976. Each comparable has a full or partial unfinished basement, central air conditioning, a fireplace, and a garage ranging in size from 516 to 971 square feet of building area. The comparables have sites ranging in size from 39,630 to 41,697

square feet of land area. The comparables sold in June 2015 to July 2016 for prices of \$470,000 to \$585,000 or from \$123.81 to \$176.79 per square foot of living area, including land. Based on the comparable sales, the appellant requested an assessment reduction to \$172,066, reflecting a market value of \$518,896 or \$175.90 per square foot of living area, when using the 2016 three-year average median level of assessment for Lake County.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,920. The subject's assessment reflects a market value of \$572,738 or \$194.15 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located from .125 to 1.989 miles from the subject property. The comparables were improved with two-story dwellings of brick or frame exterior construction that range in size from 3,233 to 3,423 square feet of living area. The dwellings were constructed from 1988 and 1995. Each comparable has a full or partial unfinished basement, central air conditioning, one to three fireplaces, and a garage ranging in size from 682 to 1,040 square feet of building area. The comparables have sites ranging in size from 49,496 to 220,510 square feet of land area. These properties sold from July 2014 to April 2016 for \$635,000 to \$698,000 or from \$185.51 to \$213.13 per square foot of living area, including land. Based on the comparable sales evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables, due to their older dates of construction; board of review comparable #2, due to its dated sale in July 2014, as it is less indicative of the subject's market value as of the January 1, 2016 assessment date; and board of review comparable #4, due to its substantially larger site, when compared to the subject.

The Board finds the best evidence of market value to be board of review comparables #2 and #3. Despite the fact that these comparables are not located proximate to the subject property, these homes are more similar in dwelling size, design, age and features. These two comparables sold for prices of \$675,000 and \$698,000 or for \$203.80 and \$213.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$572,738 or \$194.15, including land, which is below the range established by the best comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is

supported and no reduction is warranted. Based on this evidence the Board finds no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
