

## FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Douglas Sandy  
DOCKET NO.: 16-03216.001-R-1  
PARCEL NO.: 14-30-103-007

The parties of record before the Property Tax Appeal Board are Douglas Sandy, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>LAND:</b>	\$36,745
<b>IMPR.:</b>	\$107,945
<b>TOTAL:</b>	\$144,690

Subject only to the State multiplier as applicable.

### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property consists of a one-story dwelling of brick and frame construction with 2,277 square feet of living area. The dwelling was constructed in 1987. Features of the home include a full walk-out basement, central air conditioning, a fireplace and a 756 square foot garage. The property has a 60,423 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 1.15 to 1.30 miles from the subject property. The comparables consist of one-story dwellings of brick or frame exterior construction ranging in size from 1,970 to 2,467 square feet of living area. The dwellings were constructed from 1986 to 2001. Each comparable has an unfinished basement, central air conditioning, one fireplace and each comparable has a garage ranging in size from 484 to 575 square feet of building area. The comparables have sites ranging in size from 10,085 to 38,858

square feet of land area. The comparables sold from May 2015 to June 2016 for prices of \$299,700 to \$415,000 or from \$152.13 to \$174.32 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,690. The subject's assessment reflects a market value of \$436,339 or \$191.63 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales, located from .953 to 2.178 miles from the subject property. The comparables were improved with one-story dwellings of brick or frame exterior construction ranging in size from 1,895 to 2,329 square feet of living area. The dwellings were constructed from 1987 to 1992. Each comparable has a full or partial basement, central air conditioning, one to three fireplaces, and a garage ranging in size from 506 to 822 square feet of building area. The comparables have sites ranging in size from 31,596 to 66,637 square feet of land area. These properties sold from May 2014 to January 2016 for \$400,000 to \$440,000 or from \$171.75 to \$224.27 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gave less weight to appellant's comparable #2 due to its newer construction age when compared to the subject and board of review comparable #2 due to its distance in location from the subject. The Board also gave less weight to board of review comparables #3 and #4, due to their dated sales in May and September 2014, as they are less indicative of the subject's market value as of the January 1, 2016 assessment date.

The Board finds the best evidence of market value to be appellant's comparable sale #1 and #3, along with board of review comparable sale #1. These comparables are similar in dwelling size, design, age and features. These comparable sales are proximate to the assessment date and are more likely to be indicative of the subject's estimated market value as of the assessment date at issue. These more similar comparables sold from May 2015 to June 2016 for prices of \$153.13 and \$224.27 per square foot of living area, including land. The subject's assessment reflects a market value of \$436,339 or \$191.63 per square foot of living area, including land, which is within the range on a price per square foot, including land, as established by the most similar comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value

as reflected by the assessment is supported and no reduction is warranted. Based on this evidence the Board finds no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
