

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Swanson
DOCKET NO.: 16-03238.001-R-1
PARCEL NO.: 14-12-101-015

The parties of record before the Property Tax Appeal Board are Paul Swanson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,460
IMPR.: \$212,351
TOTAL: \$250,811

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 5,358 square feet of living area. The dwelling was constructed in 2000. Features of the home include a full unfinished basement, central air conditioning, three fireplaces and a 1,060 square foot attached garage. The property has a 47,039 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from .42 to .58 of a mile from the subject property. The comparables are described as two-story dwellings of frame or brick exterior construction that range in size from 4,315 to 4,416 square feet of living area. The dwellings were constructed from 2002 to 2004. The comparables have unfinished basements, central air conditioning; one or two fireplaces and a garage ranging in size from 713 to 744

square feet of building area. The comparables have a site containing 40,075 square feet of land area. The comparables sold from July 2014 to November 2015 for prices ranging from \$625,000 to \$635,000 or from \$142.21 to \$145.44 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$250,811. The subject's assessment reflects a market value of \$756,366 or \$141.17 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales, three of which were submitted by the appellant. The comparables are located from .41 to .578 of a mile from the subject property. The comparables are improved with two-story dwellings of brick and frame exterior construction that range in size from 4,315 to 4,819 square feet of living area. The dwellings were constructed from 2002 to 2004 with unfinished basements, central air conditioning, one or two fireplaces and a garage ranging in size from 628 to 744 square feet of building area. The comparables have sites of either 40,075 or 45,302 square feet of land area. The comparables sold from July 2014 to November 2015 for prices ranging from \$625,000 to \$870,000 or from \$142.21 to \$180.54 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted four suggested comparable sales for consideration, three of which were submitted by both parties. The Board gave less weight to the appellant's comparable sale #2 which is board of review comparable #4 due to its sale occurring in July 2014 which is dated and less indicative of market value as of the January 1, 2016 assessment date.

The Board finds the best evidence of market value to be appellant's comparable #1 and #3 which are board of review comparables #1 and #2 along with the board of review comparable #3. The Board finds these three comparables are most similar to the subject in location, site size, design, age, dwelling size, and most features. The comparables sold from March 2015 to November 2015 for prices ranging from \$628,000 to \$870,000 or from \$142.21 to \$180.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$756,366 or \$141.17 per square foot of living area, including land, which falls within market value range established by the most similar comparable sales in this record. After considering adjustments to the comparables for differences, when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the

Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
