

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David LoSavio
DOCKET NO.: 16-03273.001-R-1
PARCEL NO.: 13-16-103-003

The parties of record before the Property Tax Appeal Board are David LoSavio, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,125
IMPR.: \$108,376
TOTAL: \$147,501

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 2,310 square feet of living area. The dwelling was constructed in 1979. Features of the home include a walk out basement with finished area, central air conditioning, two fireplaces and a 638 square foot garage. The property has a 41,223 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that were located from approximately .96 of a mile to 2.87 miles from the subject property. The comparables consist of one-story dwellings of brick or frame exterior construction ranging in size from 1,842 to 2,669 square feet of living area. The dwellings were constructed from 1971 to 1986. Each comparable has a

basement with finished area, one of which has a walk-out basement.¹ Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 437 to 600 square feet of building area. The comparables have sites ranging in size from 39,799 to 79,950 square feet of land area. The comparables sold from August 2014 to September 2015 for prices ranging from \$337,500 to \$395,000 or from \$148.00 to \$190.01 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$147,501. The subject's assessment reflects a market value of \$444,816 or \$192.56 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales, one of which was utilized by the appellant, that were located from .126 to 2.827 of a mile from the subject property. The comparables were improved with one-story dwellings of frame or brick and frame exterior construction that range in size from 1,890 to 2,342 square feet of living area. The dwellings were constructed from 1971 to 1977. Each comparable has a basement with finished area, two of which have walk out basements. Each comparable has central air conditioning, one or two fireplaces, and a garage ranging in size from 437 to 682 square feet of building area. The comparables have sites ranging in size from 39,799 to 42,548 square feet of land area. These properties sold from February 2015 to July 2015 for prices ranging from \$385,000 to \$492,500 or from \$154.93 to \$238.62 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gave less weight to appellant's comparable #1 and board of review comparable #3, due to their distant proximity to the subject. The Board also gave less weight to appellant's comparable #4, due to its older sale date in August 2014.

The Board finds the best evidence of market value to be the parties common comparable and appellant's comparable #1, as well as the board of review comparables #1 and #4. These comparables are similar in location, size, design, age and/or features. These comparables sold

more proximate in time to the January 2016 assessment date for prices ranging from \$385,000 to \$492,500 or from \$148.00 and \$238.62 per square foot of living area, including land. The subject's assessment reflects a market value of \$444,816 or \$192.56 per square foot of living area, including land, which is supported by the more similar comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported. Based on this evidence the Board finds no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
