

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathy Myers
DOCKET NO.: 16-03295.001-R-1
PARCEL NO.: 06-06-404-014

The parties of record before the Property Tax Appeal Board are Kathy Myers, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,495
IMPR.: \$62,831
TOTAL: \$78,326

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 1,936 square feet of living area. The dwelling was constructed in 1990. Features of the home include a full basement, central air conditioning, a fireplace and a 624 square foot garage. The property has a 45,829 square foot site and is located in Lake Villa, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that were located from approximately .05 to .34 of a mile from the subject property. The comparables consist of one-story dwellings of frame exterior construction ranging in size from 1,877 to 2,178 square feet of living area. The dwellings were constructed from 1989 to 1993. Each comparable has an unfinished basement and central air conditioning. Two comparables each have a fireplace and each comparable has a garage ranging in size from 698 to 896 square feet of building area. The comparables have sites

ranging in size from 40,986 to 58,349 square feet of land area. The comparables sold from April 2015 to July 2016 for prices ranging from \$132,500 to \$236,000 or from \$60.84 to \$125.73 per square foot of living area, including land. Based on the comparable sales evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$78,326. The subject's assessment reflects a market value of \$236,206 or \$122.01 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales, two of which were also utilized by the appellant. The comparables are located from .103 to .343 miles from the subject property. The comparables were improved with one-story dwellings of frame exterior construction that range in size from 1,826 to 2,200 square feet of living area. The dwellings were constructed from 1990 to 1993. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 698 to 825 square feet of building area. The comparables have sites ranging in size from 42,959 to 58,349 square feet of land area. These properties sold from April 2015 to July 2017 for prices ranging from \$230,000 to \$260,000 or from \$113.69 to \$127.05 per square foot of living area, including land. Based on the comparable sales evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted five comparable sales for the Board's consideration, as appellant's comparables #1 and #2 and board of review comparables #1 and #2 are the same properties. The Board gave less weight to appellant's comparable sale #3 as the transaction is an outlier due to its considerably lesser sale price in relation to the other similar comparables contained in the record. The Board also gave less weight to the board of review comparable #4 as it sold in July 2017 and is less indicative of the subject's market value as of the January 1, 2016 assessment date.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and board of review comparables #1, #2 and #3. These three comparables are most similar to the subject in location, size, design, age and features. These comparables sold more proximate in time to the January 2016 assessment date for prices ranging from \$230,000 to \$260,000 or from \$113.69 to \$125.73 per square foot of living area, including land. The subject's assessment reflects a market value of \$236,206 or \$122.01 per square foot of living area, including land, which is supported by the most similar comparable sales in this record. After considering

adjustments to the comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported. Based on this evidence, the Board finds no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
