

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Beauseigneur  
DOCKET NO.: 16-03375.001-R-1  
PARCEL NO.: 16-31-401-009

The parties of record before the Property Tax Appeal Board are Kevin Beauseigneur, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$56,426  
**IMPR.:** \$99,909  
**TOTAL:** \$156,335

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a tri-level dwelling of brick exterior construction with 2,171 square feet of living area. The dwelling was constructed in 1966. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .36 of a mile of the subject property. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's final assessment of \$156,335. In support of the subject's assessment, the board of review submitted a copy of the Final Administrative Decision rendered by the Property Tax Appeal

Board for the 2015 tax year in Docket No. 15-02384.001-R-1 in which the subject's assessment was reduced to \$146,890. The board of review explained that the tax year 2015 was the beginning of the general assessment period that runs through the 2018 tax year. The board of review contends the subject's assessment for the 2016 tax year is equivalent to the assessment as established by the Property Tax Appeal Board's prior year's decision plus application of the township equalization factor of 1.0643 in accordance with Section 16-185 of the Property Tax Code. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The Property Tax Appeal Board finds the subject property is an owner-occupied residence that was the matter of an appeal before the Board for the 2015 tax year under Docket Number 15-02384.001-R-1. In that appeal, the Board rendered a decision lowering the assessment of the subject property to \$146,890 based on the evidence submitted by the parties.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board finds that section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185). The Board finds that the record shows the subject property is an owner-occupied residence and that the 2015 and 2016 tax years are within the same general assessment period. There was no evidence showing the subject property sold establishing a different fair cash value on which the Board's assessment is based; and the decision of the Board was not reversed or modified upon review, which satisfies the statutory provisions of section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The evidence submitted by the board of review shows an equalization factor of 1.0643 was issued in West Deerfield Township for the 2016 tax year. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2015 decision, results in an assessment of \$156,335. ( $\$146,890 \times 1.0643 = \$156,335$ ). Therefore, the Board finds the assessment of \$156,335 is correct and complies with the statutory mandate provided by section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). Based on this analysis, the Property Tax Appeal Board finds that no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
