

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Valentina Levina
DOCKET NO.: 16-03399.001-R-1
PARCEL NO.: 16-27-308-004

The parties of record before the Property Tax Appeal Board are Valentina Levina, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$33,139
IMPR.:	\$32,854
TOTAL:	\$65,993

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 960 square feet of living area. The dwelling was constructed in 1952. Features of the home include a full unfinished basement, central air conditioning and a 602 square foot garage. The property has a 7,368 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .12 of a mile of the subject property. The comparables are described as one-story dwellings of wood siding, vinyl siding or brick exterior construction ranging in size from 1,211 to 1,524 square feet of living area. The dwellings were constructed in either 1947 or 1951. Two comparables have basements with finished area and two comparables have crawl space foundations. In addition, each

comparable has central air conditioning; one comparable has a fireplace and three comparables each have a garage ranging in size from 308 to 578 square feet of building area. The comparables sold from May 2015 to May 2016 for prices ranging from \$157,000 to \$230,000 or from \$103.02 to \$160.28 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,993. The subject's assessment reflects a market value of \$199,014 or \$207.31 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within .97 of a mile of the subject property. The comparables are described as one-story dwellings of brick or wood siding exterior construction ranging in size from 878 to 1,069 square feet of living area. The dwellings were constructed from 1948 to 1952. The comparables have basements, with two having finished area; each comparable has central air conditioning; two comparables have a fireplace; and two comparables have a garage with either 231 or 308 square feet of building area. The comparables sold from August 2015 to June 2016 for prices ranging from \$243,000 to \$267,500 or from \$229.19 to \$296.13 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted eight comparable sales for consideration. The Board gave less weight to appellant's comparables #1 and #4 based on their considerably larger dwelling sizes when compared to the subject. The Board also gave less weight to board of review comparables #2, #3 and #4 due to their distant locations from the subject property when compared to the other sales in the record.

The Board finds the best evidence of market value for the subject property to be appellant's comparables #2 and #3 along with board of review comparable #1. These three comparables are most similar to the subject in location and have varying degrees of similarity to the subject in dwelling size, design and features. The comparables sold in August 2015 and May 2016 for prices ranging from \$170,000 to \$245,000 or from \$140.38 to \$229.19 per square foot of living area, including land. The subject's assessment reflects a market value of \$199,014 or \$207.31 square foot of living area, including land falls within the range established by the best comparable sales in the record. After considering any necessary adjustments to the comparables

for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported.

Based on this record, the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
