

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deann Baseley
DOCKET NO.: 16-03516.001-R-1
PARCEL NO.: 04-16-409-005

The parties of record before the Property Tax Appeal Board are Deann Baseley, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,000
IMPR.: \$29,412
TOTAL: \$33,412

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of frame exterior construction with 1,080 square feet of above grade living area. The dwelling was constructed in 1977. Features of the home include a lower level finished area, central air conditioning and a 360 square foot garage. The property has a 9,450 square foot site and is located in Zion, Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .77 of a mile of the subject property. The comparables are described as tri-level or split-level dwellings of frame exterior construction ranging in size from 884 to 1,056 square feet of above grade living area. The dwellings were constructed from 1984 to 1993. Each comparable has a finished lower level; two comparables have central air conditioning; and each comparable has a garage ranging in size from 484 to 768 square feet of building area. The comparables have sites ranging in size from

6,090 to 7,980 square feet of land area. The comparables sold from January 2014 to September 2015 for prices ranging from \$70,000 to \$86,600 or from \$66.29 to \$97.96 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,412. The subject's assessment reflects a market value of \$100,760 or \$93.30 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on three comparable sales located within .799 of a mile of the subject property. The comparables are improved with split-level dwellings of frame exterior construction ranging in size from 1,036 to 1,123 square feet of above grade living area. The dwellings were constructed in 1976 or 1984. Each comparable has a finished lower level and central air conditioning; one comparable has a fireplace; and each comparable has a garage with either 528 or 576 square feet of building area. The comparables have sites ranging in size from 7,723 to 20,935 square feet of land area. The comparables sold from April 2015 to February 2016 for prices ranging from \$107,500 to \$145,500 or from \$96.85 to \$140.44 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted six comparable sales for consideration. The Board gave less weight to the appellant's comparables for their dated sales in 2014 which are less proximate in time to the subject's January 1, 2016 assessment date and/or dissimilar design when compared to the subject. The Board also gave less weight to the board of review comparable #3 due to its considerably larger land size when compared to the subject.

The Board finds the best evidence of market value to be board of review comparables #1 and #2. Both comparables are most similar to the subject in location, dwelling size, exterior construction, design and most features. These properties sold in April 2015 and February 2016 for prices of \$107,500 and \$135,900 or \$96.85 and \$121.02 per square foot living area, including land. The subject's assessment reflects an estimated market value of \$100,760 or \$93.30 per square foot of living area, including land, which is well supported by the best comparable sales contained in the record. After considering necessary adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
