

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Douglas Schneider
DOCKET NO.: 16-03557.001-R-1
PARCEL NO.: 02-35-405-060

The parties of record before the Property Tax Appeal Board are Douglas Schneider, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,367
IMPR.: \$93,621
TOTAL: \$114,988

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,822 square feet of living area. The dwelling was constructed in 2010. Features of the home include a full unfinished basement, central air conditioning and a 638 square foot garage. The property has a 9,222 square foot site and is located in Lindenhurst, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .19 of a mile of the subject property. The comparables were described as two-story dwellings of frame exterior construction ranging in size from 2,507 to 3,035 square feet of living area. The dwellings were constructed in 2011 or 2015. The comparables each have unfinished basements, central air conditioning, fireplaces and garages ranging in size from 580 to 740 square feet of building area. The comparables have sites ranging in size from 9,000 to 10,375 square feet of land area. The

comparables sold from February 2015 to February 2016 for prices ranging from \$300,000 to \$365,929 or from \$115.12 to \$122.92 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$114,988. The subject's assessment reflects a market value of \$346,767 or \$122.88 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .189 of a mile of the subject property. Comparable #1 is the same property as the appellant's comparable #2. The comparables contain two-story dwellings of frame exterior construction ranging in size from 2,315 to 3,280 square feet of living area. The dwellings were constructed from 2011 to 2015. The comparables each have basements with one having finished area, central air conditioning, fireplaces and garages ranging in size from 140 to 886 square feet of building area. The comparables have sites ranging in size from 9,375 to 10,409 square feet of land area. The comparables sold from March 2014 to August 2015 for prices ranging from \$328,441 to \$406,311 or from \$117.46 to \$141.88 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven comparable sales for the Board's consideration which includes the common comparable. The Board gave less weight to the appellant's comparable #4 and board of review comparable #4 due to their smaller dwelling sizes when compared to the subject. The Board also gave reduced weight to board of review comparables #2 and #3 as their sale dates in 2014 are dated and less likely to be indicative of the subject's market value as of the January 1, 2016 assessment date.

The Board finds the best evidence of market value to be the parties' common comparable, along with comparables #1 and #3 submitted by the appellant. These three comparables are most similar to the subject in location, size, design, age and features. These comparables sold from February to December 2015 for prices ranging from \$300,000 to \$365,929 or from \$115.12 to \$122.92 per square foot of living area, including land. The subject's assessment reflects a market value of \$346,767 or \$122.88 per square foot of living area, land included, which falls within the range established by the most similar comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board

finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
