

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deann Baseley  
DOCKET NO.: 16-03612.001-R-1  
PARCEL NO.: 04-21-323-007

The parties of record before the Property Tax Appeal Board are Deann Baseley, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,531  
**IMPR.:** \$21,133  
**TOTAL:** \$24,664

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame exterior construction with 1,008 square feet of living area. The dwelling was constructed in 1978. The home features a full unfinished basement. The property has a 7,285 square foot site and is located in Zion, Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales located between .08 of a mile and 1.15 miles from the subject property. The comparables were described as one-story dwellings of frame exterior construction ranging in size from 1,024 to 1,087 square feet of living area. The dwellings were constructed from 1922 to 1978. The comparables each have an unfinished basement. Additionally, two comparables have central air conditioning, one comparable has a fireplace and four comparables have a garage ranging in size from 360 to 528 square feet of

building area. The comparables have sites ranging in size from 6,006 to 8,750 square feet of land area. The comparables sold from February 2015 to April 2016 for prices ranging from \$40,000 to \$79,900 or from \$36.80 to \$74.71 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$24,664. The subject's assessment reflects a market value of \$74,379 or \$73.79 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located between .10 of a mile and 1.15 miles from the subject property. Board of review comparable #2 is the same property as the appellant's comparable #2. The comparables were described as one-story dwellings of frame exterior construction containing either 912 or 1,073 square feet of living area. The dwellings were constructed from 1971 to 1977. The comparables each have a full unfinished basement. In addition, two comparables have central air conditioning and two comparables have a 384 or 440 square foot garage. The comparables have sites ranging in size from 6,006 to 8,750 square feet of land area. The comparables sold from October 2015 to July 2016 for prices ranging from \$79,900 to \$94,000 or from \$74.46 to \$103.07 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted eight comparable sales for the Board's consideration which includes the common comparable. The Board gave less weight to the appellant's comparable sales #1, #4, #5 and #6 due to their dwellings being dissimilar in age and/or having superior garage features when compared to the subject. The Board also gave less weight to the parties common comparable, along with board of review comparable #3 due to their superior garage feature unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable #3 and board of review comparable #1. These two comparables are most similar to the subject in location, size, design, age and most features. These comparables sold in February 2015 and July 2016 for prices of \$78,000 and \$93,000 or for \$72.69 and \$86.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$74,379 or \$73.79 per square foot of living area, land included, which is supported by the most similar comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to

the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
