

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Stirling  
DOCKET NO.: 16-03653.001-R-1  
PARCEL NO.: 12-33-300-008

The parties of record before the Property Tax Appeal Board are James Stirling, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$277,758  
**IMPR.:** \$89,665  
**TOTAL:** \$367,423

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 5,643 square feet of living area. The dwelling was constructed in 1890. Features of the home include a 413 square foot unfinished basement and part concrete slab foundation, central air conditioning, two fireplaces and a three-car garage with 748 square feet of building area. The property has a site containing approximately 1.01 acres<sup>1</sup> and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal prepared by Michael J. Sullivan estimating the subject property, which includes three parcel numbers, had a market value of \$1,205,000, including land, as of

<sup>1</sup> The parties differ as to the site size of the subject property. The appraisal indicates the subject contains three parcel numbers, however counsel for the appellant only provided one parcel number on the appeal form.

January 1, 2015. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$367,423. The subject's assessment reflects a market value of \$1,108,031 or \$196.35 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted a copy of the Final Administrative Decision rendered by the Property Tax Appeal Board for the 2015 tax year in Docket No. 15-02939.001-R-1 resulting in a total assessment of \$345,974. The board of review explained that 2015 was the beginning of the general assessment cycle that runs through 2018. The board of review also asserted that the property is an owner-occupied dwelling. The board of review contends the subject's assessment for the 2016 tax year is equivalent to the assessment as established by the Property Tax Appeal Board plus application of the township equalization factor of 1.0620, resulting in an assessment for the 2016 tax year of \$367,424, which is \$1.00 more than the subject's final assessment of \$367,423 for the lien date at issue. Based on this evidence, the Board of Review requested the Property Tax Appeal Board confirm the subject's assessment.

### **Conclusion of Law**

The Property Tax Appeal Board takes notice that the subject property was the matter of an appeal before the Board for the 2015 tax year under Docket Number 15-02939.001-R-1. In the appeal, the Property Tax Appeal Board rendered a decision reducing the subject's assessment to \$345,974 based on an agreement of the parties. The Property Tax Appeal Board finds that Lake County's general assessment period began in the 2015 tax year and runs through the 2018 tax year. The Lake County board of review confirmed that for the 2016 tax year, township equalization factor of 1.0620 was applied in Shields Township. The Board finds Section 16-185 of the Property Tax Code controls in this matter.

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and the 2015 through 2018 tax years are in the same general assessment period. An equalization factor of 1.0620 was applied in Shields Township for the 2016 tax year. Furthermore, the 2015

decision of the Property Tax Appeal Board was not reversed or modified upon review and there was no evidence the property sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2015 decision, results in an assessment of \$367,424 ( $\$345,974 \times 1.0620 = \$367,424$ ). The subject's 2016 assessment is \$367,423. Thus, no change in assessment is warranted. Considering the statutory provisions of section 16-185 of the Property Tax Code, the Property Tax Appeal Board finds the subject's assessment is justified as required by law.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
