

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Nealis
DOCKET NO.: 16-03725.001-R-1
PARCEL NO.: 11-23-402-005

The parties of record before the Property Tax Appeal Board are William Nealis, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$31,487
IMPR.: \$55,782
TOTAL: \$87,269

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 1,612 square feet of living area. The dwelling was constructed in 1962. Features of the home include a partial unfinished basement, central air conditioning, a fireplace and a 567 square foot garage. The property has a 43,201 square foot site and is located in Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparables located from .84 of a mile to 1.32 miles from the subject. The comparables are described as one-story dwellings of wood siding or brick exterior construction ranging in size from 1,527 to 1,973 square feet of living area. The dwellings were constructed from 1952 to 1965. The comparables have partial or full unfinished basements, central air conditioning and garages ranging in size from 400 to 1,152 square feet of building area. One comparable has an additional 1,136 square foot garage. Five comparables

each have a fireplace. The comparables are situated on sites ranging in size from 39,372 to 57,093 square feet of land area. The comparables sold from March 2014 to February 2016 for prices ranging from \$220,000 to \$395,000 or from \$142.76 to \$204.65 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$87,269. The subject's assessment reflects a market value of \$263,176 or \$163.26 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on three comparable sales located over 1.5 miles from the subject. The comparables are described as one-story dwellings of wood siding or brick exterior construction ranging in size from 1,404 to 1,772 square feet of living area. The dwellings were constructed from 1955 to 1964. The comparables have partial or full unfinished basements; two comparables have central air conditioning; each comparable has two fireplaces and a garage ranging in size from 430 to 528 square feet of building area. The comparables are situated on sites ranging in size from 11,631 to 74,492 square feet of land area. The comparables sold from January to August 2015 for prices ranging from \$300,000 to \$565,000 or from \$213.68 to \$352.68 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted nine comparable sales for consideration. The Board gave less weight to appellant's comparables #1 through #5 as to their sale dates in 2014 were less proximate in time to the subject's January 1, 2016 assessment date and less likely to be reflective of market value. The Board gave less weight to board of review comparables #1 and #2 for having dissimilar lot sizes when compared to the subject's lot size.

The Board finds the best evidence of market value for the subject property to be appellant's comparable #6 and board of review comparable #3. These comparables are similar to the subject in dwelling size, design, age and features. The comparables sold in January 2015 and February 2016 for prices of \$312,500 and \$509,000 or for \$204.65 and \$287.25 per square foot of living area, including land. The subject's assessment reflects a market value of \$263,176 or \$163.26 per square foot of living area, including land, which is well supported by the best comparable sales in the record. After considering necessary adjustment to the comparables for differences

when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
