

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey Lindsey
DOCKET NO.: 16-03727.001-R-1
PARCEL NO.: 11-22-210-001

The parties of record before the Property Tax Appeal Board are Jeffrey Lindsey, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$67,738
IMPR.: \$181,714
TOTAL: \$249,452

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,692 square feet of living area. The dwelling was constructed in 1990. Features of the home include a partial unfinished basement, central air conditioning, a fireplace and a 698 square foot garage. The property has a 39,713 square foot site and is located in Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparables located within .43 of a mile of the subject. The comparables are described as two-story dwellings of wood siding or brick exterior construction ranging in size from 3,006 to 4,037 square feet of living area. The dwellings were constructed in 1986 or 1990. The comparables each have a partial or full unfinished basement, central air conditioning, one or two fireplaces and a garage containing from 803 to 899 square feet of building area. The comparables are situated on sites ranging in size from 35,740 to

57,091 square feet of land area. The comparables sold from April to November 2015 for prices ranging from \$575,000 to \$750,000 or from \$175.55 to \$191.28 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$249,452. The subject's assessment reflects a market value of \$752,268 or \$203.76 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on three comparable sales located within .274 of a mile from the subject. The comparables are described as two-story dwellings of wood siding or brick exterior construction ranging in size from 3,098 to 4,037 square feet of living area. The dwellings were constructed in 1989 or 1990. The comparables each have a full unfinished basement, central air conditioning, one or two fireplaces and a garage containing from 803 to 848 square feet of building area. The comparables are situated on sites ranging in size from 35,531 to 36,137 square feet of land area. The comparables sold from July 2015 to August 2017 for prices ranging from \$720,000 to \$770,000 or from \$185.78 to \$237.07 per square foot of living area, including land. Board of review comparable #2 was submitted by the appellant as comparable #1. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted five comparable sales for consideration, which includes the parties' common comparable. The Board gave less weight to appellant's comparables #2 and #3 based on their larger site sizes located within different neighborhoods when compared to the subject. The Board also gave less weight to board of review comparable #3 as to its August 2017 sale date was less proximate in time to the subject's January 1, 2016 assessment date and less likely to be reflective of market value when the record contains more sales that are proximate in time to the lien date.

The Board finds the best evidence of market value for the subject property to be the parties' common comparable and board of review comparable #1. These comparables are similar to the subject in location, design, age and features. The comparables sold in July and November 2015 for prices of \$720,000 and \$750,000 or for \$232.41 and \$185.78 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$752,268 or \$203.76 per square foot of living area, including land. After considering necessary adjustments to the comparables for differences when compared to the subject, the Board finds the subject's

estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
