

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Greg Maresh
DOCKET NO.: 16-03728.001-R-1
PARCEL NO.: 11-22-201-004

The parties of record before the Property Tax Appeal Board are Greg Maresh, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$67,738
IMPR.: \$176,078
TOTAL: \$243,816

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,547 square feet of living area. The dwelling was constructed in 1989. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and an 851 square foot garage. The property has a 36,251 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of the overvaluation argument, the appellant submitted information on four comparable sales located within .46 of a mile of the subject. The comparables were described as two-story dwellings of brick or wood siding exterior construction that were built from 1986 to 1993. The dwellings range in size from 3,845 to 4,037 square feet of living area. The comparables each feature a basement with one having finished area. In addition, each comparable has central air conditioning, two to four

fireplaces and a garage ranging in size from 792 to 899 square feet of building area. The comparables have sites ranging in size from 20,962 to 53,539 square feet of land area. The comparables sold from September to December 2015 for prices ranging from \$675,000 to \$804,500 or from \$175.55 to \$204.86 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$243,816. The subject's assessment reflects a market value of \$735,271 or \$207.29 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .297 of a mile of the subject. Board of review comparable #3 and the appellant's comparable #1 are the same property. The comparables were described as containing two-story dwellings of brick or wood siding exterior construction ranging in size from 2,947 to 4,037 square feet of living area. The dwellings were built in either 1989 or 1990. The comparables each feature a partial unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 550 to 848 square feet of building area. The comparables have sites ranging in size from 34,463 to 36,137 square feet of land area. The comparables sold from July 2015 to August 2017 for prices ranging from \$575,000 to \$770,000 or from \$185.78 to \$237.07 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven comparable sales for the Board's consideration which includes one common comparable. The Board gave less weight to appellant's comparable #4 for its superior finished basement foundation when compared to the subject. The Board finds board of review comparables #1 and #2 sold less proximate in time to the lien date at issue and are less likely to be indicative of the subject's market value as of the January 1, 2016 assessment date.

The Board finds the best evidence of market value to be the the appellant's comparables #1 through #3 which includes the parties' common comparable, along with board of review comparable #4. These homes sold proximate in time to the January 1, 2016 assessment date and are similar to the subject in location, dwelling size, design, age and features. The comparables sold from July to November 2015 for prices ranging from \$675,000 to \$752,500 or from \$175.55 to \$232.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$735,271 or \$207.29, including land, which is within the range established by the most similar comparable sales in this record. After considering adjustments to the

comparable sales for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
