

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Doug Campbell  
DOCKET NO.: 16-03735.001-R-1  
PARCEL NO.: 11-13-201-154

The parties of record before the Property Tax Appeal Board are Doug Campbell, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$18,254  
**IMPR.:** \$54,405  
**TOTAL:** \$72,659

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story townhouse condominium of wood siding exterior construction with 1,609 square feet of living area. The dwelling was constructed in 1992. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 429 square foot garage. The property is located in Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .14 of a mile of the subject. The comparables are described as two-story townhouse condominiums of wood siding exterior construction containing 1,609 square feet of living area each. The dwellings were constructed in 1992. One comparable has a basement and two comparables have slab foundations. Each comparables features central air conditioning, one fireplace and a garage with 429 square feet of building area. The comparables sold from February 2015 to February 2016

for prices ranging from \$185,000 to \$215,000 or from \$114.98 to \$133.62 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,659. The subject's assessment reflects a market value of \$219,116 or \$136.18 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In response to the appellant's evidence, the board of review argued appellant's comparables #2 and #3 do not have basements, while the subject has a 986 square foot basement.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within .15 of a mile of the subject. The comparables are described as two-story townhouse condominiums of wood siding exterior construction with either 1,609 or 1,675 square feet of living area. The dwellings were constructed in 1992 or 1996. The comparables each have a full unfinished basement, central air conditioning, one fireplace and a garage containing either 400 or 429 square feet of building area. The comparables sold from April 2015 to June 2016 for prices ranging from \$215,000 to \$260,000 or from \$133.62 to \$160.66 per square foot of living area, including land. Board of review comparable #1 was also submitted by the appellant as comparable #1. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted six comparable sales for consideration, which includes the parties' common comparable. The Board gave less weight to appellant's comparables #2 and #3 because they do not have a basement unlike the subject's basement.

The Board finds the best evidence of market value for the subject property to be the board of review comparables, which includes the parties' common comparable. These comparables are similar to the subject in location, dwelling size, design, age and features. The comparables sold from April 2015 to June 2016 for prices ranging from \$215,000 to \$260,000 or from \$133.62 to \$160.66 per square foot of living area, including land. The subject's assessment reflects a market value of \$219,116 or \$136.18 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering necessary adjustment to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
