

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ghada Sandouka
DOCKET NO.: 16-03760.001-R-1
PARCEL NO.: 09-02-307-005

The parties of record before the Property Tax Appeal Board are Ghada Sandouka, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,580
IMPR.: \$47,080
TOTAL: \$66,660

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,160 square feet of living area. The dwelling was constructed in 2009. Features of the home include a full unfinished basement, central air conditioning and a 400 square foot garage. The property has a 7,240 square foot site and is located in Volo, Wauconda Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located in the same subdivision as the subject property and within .35 of a mile of the subject. The comparables were described as two-story dwellings of vinyl siding exterior construction that were built in either 2007 or 2008. The dwellings range in size from 1,782 to 2,480 square feet of living area. Each comparable has a basement, central air conditioning and a garage ranging in size from 378 to 600 square feet of building area. The comparables have sites ranging in size from 6,878 to 8,664 square feet of

land area. The comparables sold from March to May 2015 for prices ranging from \$167,000 to \$195,000 or from \$77.31 to \$98.15 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,660. The subject's assessment reflects a market value of \$201,025 or \$93.07 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .55 of a mile of the subject property, three of which are in the same subdivision as the subject. The comparables were described as two-story dwellings of vinyl siding exterior construction ranging in size from 2,034 to 2,480 square feet of living area. The dwellings were built between 2007 and 2013. The comparables feature a basement with one having finished area, central air conditioning and a garage ranging in size from 398 to 462 square feet of building area. The comparables have sites ranging in size from 6,504 to 17,742 square feet of land area. The comparables sold from January 2014 to November 2015 for prices ranging from \$199,500 to \$250,000 or from \$91.31 to \$113.43 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gave less weight to board of review comparables #1, #2 and #3 that sold in 2014 which are dated and less likely to be indicative of the subject's market value as of the January 1, 2016 assessment date. The Board also gave less weight to board of review comparable #4 for its significantly larger land area and location outside of the subject's subdivision.

The Board finds the best evidence of market value to be the comparables submitted by the appellant. These comparables sold more proximate to the January 1, 2016 assessment date and are similar to the subject in location, dwelling size, design, age and features. The comparables sold from March to May 2015 for prices ranging from \$167,000 to \$195,000 or from \$77.31 to \$98.15 per square foot of living area, including land. The subject's assessment reflects a market value of \$201,025 or \$93.07 per square foot of living area, including land, which is above the overall price range, but falls within the range of the best comparable sales in this record on a square foot basis. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
