

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kirk Brandys
DOCKET NO.: 16-03854.001-R-1
PARCEL NO.: 07-21-308-007

The parties of record before the Property Tax Appeal Board are Kirk Brandys, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,427
IMPR.: \$65,963
TOTAL: \$84,390

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,574 square feet of living area. The dwelling was constructed in 1991. Features of the home include a full basement with finished area, central air conditioning, a fireplace and a 400 square foot garage. The property has a 11,531 square foot site and is located in Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within same subdivision as the subject. The comparables are described as one-story dwellings of wood siding exterior construction containing either 1,536 or 1,588 square feet of living area. The dwellings were constructed in 1991. The comparables have partial basements, with one having finished area. Features of each comparable include central air conditioning and a garage with 400 square feet

of building area. One comparable has a fireplace. The comparables have sites ranging in size from 10,019 to 13,754 square feet of land area. The comparables sold from July 2015 to June 2016 for prices ranging from \$220,500 to \$235,000 or from \$142.95 to \$147.98 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$84,390. The subject's assessment reflects a market value of \$254,493 or \$161.69 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within same subdivision as the subject property. The comparables are described as one-story dwellings of wood siding exterior construction ranging in size from 1,536 to 1,622 square feet of living area. The dwellings were constructed in 1990 or 1991. The comparables have partial or full basements, with two having finished area. Features of each comparable include central air conditioning and a garage with 400 square feet of building area. Three comparables each have a fireplace. The comparables have sites ranging in size from 10,428 to 13,754 square feet of land area. The comparables sold from June 2014 to March 2016 for prices ranging from \$220,500 to \$274,900 or from \$143.55 to \$173.55 per square foot of living area, including land. Board of review comparables #2 and #4 were also submitted by the appellant. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains five comparable sales for the Board's consideration which includes the parties' two common comparables. The Board gave less weight to board of review comparable #3 that sold in June 2014 which is dated and less likely to be reflective of market value as of the January 1, 2016 assessment date.

The Board finds the best evidence of market value for the subject to be the parties' two common comparables, appellant's comparable #2 and board of review comparable #1. These properties are similar to the subject in location, dwelling size, design, age and features. However, three of the comparables require upward adjustments for their unfinished basements when compared to the subject's finished basement. The four comparables sold from June 2015 to June 2016 for prices ranging from \$220,500 to \$274,900 or from \$142.95 to \$173.55 per square foot of living area, including land. The subject's assessment reflects a market value of \$254,493 or \$161.69 per square foot of living area, including land which falls within the range established by the most

recent comparable sales in the record. After considering necessary adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
