

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yun Sun Lee  
DOCKET NO.: 16-03862.001-R-1  
PARCEL NO.: 07-10-101-022

The parties of record before the Property Tax Appeal Board are Yun Sun Lee, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$20,908  
**IMPR.:** \$107,577  
**TOTAL:** \$128,485

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,605 square feet of living area. The dwelling was constructed in 1999. Features of the home include a full basement with finished area, central air conditioning, a fireplace and a 640 square foot garage. The property has a 12,020 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located between .08 of a mile and 3.07 miles from the subject. The comparables were described as two-story dwellings of wood siding exterior construction that were built in 2000 or 2002. The dwellings range in size from 3,116 to 3,920 square feet of living area. The comparables each feature a basement with one having finished area, central air conditioning, a fireplace and a garage ranging in size from 599 to 849

square feet of building area. The comparables have sites ranging in size from 11,519 to 16,280 square feet of land area. The comparables sold from April to December 2015 for prices ranging from \$287,500 to \$386,250 or from \$91.48 to \$101.79 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$128,485. The subject's assessment reflects a market value of \$387,470 or \$107.48 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located in the same subdivision as the subject property and within .17 of a mile of the subject. Board of review comparable #3 and the appellant's comparable #1 are the same property. The comparables were described as two-story dwellings of wood siding exterior construction ranging in size from 3,116 to 3,614 square feet of living area. The dwellings were built from 1998 to 2000. The comparables each feature an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 599 to 713 square feet of building area. The comparables have sites ranging in size from 12,000 to 13,189 square feet of land area. The comparables sold from August 2015 to September 2016 for prices ranging from \$287,500 to \$415,000 or from \$92.27 to \$130.79 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted six suggested comparables for the Board's consideration, including one common comparable. The Board gave less weight to the appellant's comparables #3 and #4 that are less proximate in location to the subject.

The Board finds the best evidence of market value to be the parties' common comparable, the appellant's comparable #2, along with board of review comparables #1 and #2. These four comparables are similar to the subject in location, dwelling size, design, age and features. The comparables sold from August 2015 to September 2016 for prices ranging from \$287,500 to \$415,000 or from \$92.27 to \$130.79 per square foot of living area, including land. The subject's assessment reflects a market value of \$387,470 or \$107.48 per square foot of living area, including land, which falls within the price range established by the most similar comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
