

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sara Jennings
DOCKET NO.: 16-03891.001-R-1
PARCEL NO.: 06-22-106-001

The parties of record before the Property Tax Appeal Board are Sara Jennings, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,262
IMPR.: \$66,588
TOTAL: \$83,850

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl sided exterior construction with 2,419 square feet of living area. The dwelling was constructed in 1994. Features of the home include a full basement with finished area, central air conditioning, a fireplace and a 642 square foot garage. The property has a 10,158 square foot site and is located in Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparables located within .72 of a mile of the subject. The comparables are described as two-story dwellings of vinyl siding exterior construction ranging in size from 2,274 to 2,638 square feet of living area. The dwellings were constructed from 1993 to 1996. Each comparable has a full basement, with four having finished area; central air conditioning; and a garage ranging in size from 378 to 642 square feet of building area. Five

comparables each have one fireplace. The comparables have sites ranging in size from 8,101 to 12,596 square feet of land area. The comparables sold from April 2015 to May 2016 for prices ranging from \$215,500 to \$273,500 or from \$85.67 to \$113.63 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$83,850. The subject's assessment reflects a market value of \$252,865 or \$104.53 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within .263 of a mile of the subject. The comparables are described as two-story dwellings of vinyl siding exterior construction ranging in size from 2,274 to 2,419 square feet of living area. The dwellings were constructed in 1994 or 1996. Each comparable features a partial or full basement, with three having finished area; central air conditioning; and a garage ranging in size from 400 or 642 square feet of building area. The comparables have sites ranging in size from 8,750 to 12,596 square feet of land area. The comparables sold from May 2015 to November 2016 for prices ranging from \$233,000 to \$280,000 or from \$102.46 to \$115.75 per square foot of living area, including land. Board of review comparable #4 was also submitted by the appellant. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted nine comparables including the parties' common comparable that are similar to the subject in location, dwelling size, design, age and features. The comparables sold from April 2015 to November 2016 for prices ranging from \$215,500 to \$280,000 or from \$85.67 to \$115.75 per square foot of living area, including land. The subject's assessment reflects a market value of \$252,865 or \$104.53 per square foot of living area, including land which falls within the range established by the comparable sales in the record. After considering necessary adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
