

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Hebeisen
DOCKET NO.: 16-03934.001-R-1
PARCEL NO.: 06-35-110-009

The parties of record before the Property Tax Appeal Board are Thomas Hebeisen, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,676
IMPR.: \$47,651
TOTAL: \$65,327

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 1,432 square feet of living area. The dwelling was constructed in 1960 with an effective age of 1981. Features of the home include an unfinished basement, central air conditioning and a 768 square foot garage. The property has a 10,500 square foot site and is located in Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparables located from .74 of a mile to 1.14 miles from the subject. The comparables are described as one-story dwellings of vinyl siding or brick exterior construction ranging in size from 1,036 to 1,638 square feet of living area. The dwellings were constructed from 1959 to 1987. Comparables #1 and #3 have effective ages of 1980 and 1986, respectively. The comparables have basements, with finished area, central air

conditioning and a garage containing from 308 to 460 square feet of building area. Two comparables each have one or two fireplaces. The comparables each have a site containing 8,712 square feet of land area. The comparables sold from April to December 2014 for prices ranging from \$135,000 to \$205,000 or from \$125.15 to \$130.47 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,327. The subject's assessment reflects a market value of \$197,005 or \$137.57 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located from .046 of a mile to 1 mile from the subject. The comparables are described as one-story dwellings of vinyl siding or brick exterior construction ranging in size from 1,419 to 1,575 square feet of living area. The dwellings were constructed from 1956 to 1973. The comparables have basements, with two having finished area. Each comparable has central air conditioning, one comparable has two fireplaces and each comparable has a garage containing from 352 to 550 square feet of building area. The comparables are situated on sites ranging in size from 10,019 to 15,682 square feet of land area. The comparables sold from May 2015 to July 2017 for prices ranging from \$197,000 to \$204,000 or from \$127.99 to \$143.76 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted seven comparable sales for consideration. The Board gave less weight to appellant's comparables and board of review comparable #4 based on their 2014 and 2017 sale dates which were less proximate in time to the January 1, 2016 assessment date and less likely to be reflective of market value.

The Board finds the best evidence of market value for the subject property to be board of review comparables #1, #2 and #3. These comparable sold most proximate in time to the assessment date at issue and are similar to the subject in dwelling size, design, age and features. The comparables sold from May 2015 to May 2016 for prices ranging from \$197,000 to \$204,000 or from \$128.14 to \$143.76 per square foot of living area, including land. The subject's assessment reflects a market value of \$197,005 or \$137.57 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering necessary adjustments to the comparables for differences when compared to the

subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
