

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Cortesi
DOCKET NO.: 16-04072.001-R-1
PARCEL NO.: 11-22-206-020

The parties of record before the Property Tax Appeal Board are John Cortesi, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$79,045
IMPR.: \$204,760
TOTAL: \$283,805

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 4,036 square feet of living area. The dwelling was constructed in 1995. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and a 690 square foot attached garage. The property has a 20,404 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located in a different neighborhood that are within .69 of a mile from the subject property. The comparables are described as two-story dwellings of frame or brick exterior construction ranging in size from 3,927 to 4,037 square feet of living area. The dwellings were constructed in 1990 or 1993. The comparables have a basement, central air conditioning; two to four fireplaces and a garage ranging in size from 792

to 840 square feet of building area. The comparables have sites ranging in size from 20,962 to 53,539 square feet of land area. The comparables sold from September 2015 to December 2015 for prices ranging from \$750,000 to \$804,500 or from \$185.78 to \$204.86 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$283,805. The subject's assessment reflects a market value of \$855,866 or \$212.06 per square foot of living area, including land, when applying the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on three comparable sales located in same neighborhood that are within .146 of a mile from the subject property. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 3,789 to 4,097 square feet of living area. The dwellings were constructed in 1997 or 1998. The comparables have basements, central air conditioning, one to three fireplaces and a garage ranging in size from 759 to 904 square feet of building area. The comparables have sites ranging in size from 20,837 to 23,760 square feet of land area. The comparables sold from August 2016 to April 2017 for prices ranging from \$857,500 to \$987,500 or from \$226.31 to \$241.03 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted six suggested comparable sales for consideration. The Board gave less weight to the appellant's comparables for being located in a different neighborhood when compared to the subject.

The Board finds the best evidence of market value to be the board of review comparables. Even though two of the comparables sold less proximate in time to the January 1, 2016 assessment date, they were given more weight because they are located in same subdivision as the subject. The Board finds these three comparables are most similar to the subject in location, dwelling size, design, age, land size and most features. The comparables sold from August 2016 to April 2017 for prices ranging from \$857,500 to \$987,500 or from \$226.31 to \$241.03 per square foot of living area including land. The subject's assessment reflects a market value of \$855,866 or \$212.06 per square foot of living area, including land which falls below the range as established by the most similar comparable sales in this record.

After considering adjustments to the comparables for differences, when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
