

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Byung Kim  
DOCKET NO.: 16-04388.001-R-1  
PARCEL NO.: 15-18-402-016

The parties of record before the Property Tax Appeal Board are Byung Kim, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$29,150  
**IMPR.:** \$167,733  
**TOTAL:** \$196,883

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,800 square feet of living area. The dwelling was constructed in 1987. Features of the home include a full basement with finished area, central air conditioning, three fireplaces and a 736 square foot attached garage. The property has a 44,431 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .36 of a mile from the subject property. The comparables are described as two-story dwellings of brick exterior construction ranging in size from 3,690 to 4,346 square feet of living area. The dwellings were constructed in 1986 or 1987. The comparables have unfinished basements and central air conditioning, two to four fireplaces and a garage ranging in size from 759 to 924 square feet of

building area. The comparables have sites ranging in size from 45,302 to 85,378 square feet of land area. The comparables sold from October 2014 to December 2015 for prices ranging from \$535,000 to \$605,000 or from \$127.26 to \$144.99 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$196,883. The subject's assessment reflects a market value of \$593,736 or \$156.25 per square foot of living area, including land, when applying the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on seven comparable sales located within .58 of a mile from the subject property. The comparables are improved with two-story dwellings of frame or brick exterior construction ranging in size from 3,460 to 3,839 square feet of living area. The dwellings were constructed from 1986 to 1990. The comparables have basements, six of which have finished areas. Each comparable features central air conditioning, one to three fireplaces and a garage ranging in size from 550 to 932 square feet of building area. The comparables have sites ranging in size from 43,560 to 53,579 square feet of land area. The comparables sold from July 2014 to May 2017 for prices ranging from \$582,500 to \$730,000 or from \$160.47 to \$195.53 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted ten suggested comparable sales for consideration. The Board gave less weight to the appellant's comparables with two having inferior unfinished basements and one having considerably larger land size when compared to the subject. The Board also gave less weight to the board of review comparables #2, #3, #4 and #7 due to their sale dates in 2014 and 2017 being less proximate in time to the January 1, 2016 assessment date.

The Board finds the best evidence of market value to be the board of review comparables #1, #5 and #6. The Board finds these comparables sold most proximate in time to the January 1, 2016 assessment date and are most similar to the subject in location, dwelling size, design, age, land size and most features. The comparables sold from June 2015 to September 2016 for prices ranging from \$582,500 to \$687,500 or from \$160.47 to \$195.53 per square foot of living area including land. The subject's assessment reflects a market value of \$593,736 or \$156.25 per square foot of living area, including land which falls within the range on market value basis and below the range on a per square foot basis as established by the most similar comparable sales in this record. After considering adjustments to the comparables for differences, when compared to

by its assessment is supported. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
