

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jose T. Gil
DOCKET NO.: 16-04424.001-R-1
PARCEL NO.: 07-19-211-029

The parties of record before the Property Tax Appeal Board are Jose T. Gil, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,251
IMPR.: \$105,699
TOTAL: \$131,950

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,962 square feet of living area. The dwelling was constructed in 1999. Features of the home include a full unfinished basement, central air conditioning, one fireplace and a 420 square foot garage. The property has a 12,355 square foot site and is located in Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on 15 comparable sales located from .02 of a mile to 4.96 miles from the subject. The comparables are described as 2-story dwellings of wood siding or vinyl siding exterior construction ranging in size from 2,887 to 3,889 square feet of living area. The dwellings were constructed from 1991 to 2006. The comparables have basements, with two having finished area. Each comparable has central air conditioning and a garage ranging in size from 362 to 922 square feet of building area. Fourteen comparables each have one fireplace.

The comparables are situated on sites ranging in size from 6,701 to 15,542 square feet of land area. The comparables sold from June 2014 to January 2017 for prices ranging from \$234,999 to \$310,000 or from \$65.51 to \$99.04 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$131,950. The subject's assessment reflects a market value of \$397,919 or \$100.43 per square foot of living area, land included, when using the 2016 three year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within .258 of a mile of the subject. The comparables are described as 2-story dwellings of wood siding exterior construction ranging in size from 3,818 to 3,860 square feet of living area. The dwellings were constructed from 1997 to 2001. The comparables each have a basement, with two having finished area; central air conditioning; one fireplace; and a garage ranging in size from 488 to 730 square feet of building area. The comparables are situated on sites ranging in size from 10,019 to 17,033 square feet of land area. The comparables sold from July 2015 to April 2017 for prices ranging from \$406,000 to \$440,000 or from \$105.89 to \$113.99 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted 19 comparable sales for consideration. The Board gave less weight to appellant's comparables based on their sales dates in 2014 and 2017 which were less proximate in time to the subject's January 1, 2016 assessment date, distant in location from the subject property and/or smaller dwelling size when compared to the subject. The Board also gave less weight to the board of review comparable #3 based on its 2017 sale date which is less proximate in time to the subject's assessment date at issue.

The Board finds the best evidence of market value for the subject property to be board of review comparables #1, #2 and #4 which sold proximate in time to the subject's January 1, 2016 assessment date and are similar to the subject in location, dwelling size, design, age and features. The comparables sold from July 2015 to March 2016 for prices ranging from \$406,000 to \$440,000 or from \$105.89 to \$113.99 per square foot of living area, including land. The subject's assessment reflects a market value of \$397,919 or \$100.43 per square foot of living area, including land which falls below the value range established by the best comparable sales in the record. After considering necessary adjustments to the comparables for differences when

compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
