

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Friedman
DOCKET NO.: 16-04552.001-R-1
PARCEL NO.: 15-07-301-009

The parties of record before the Property Tax Appeal Board are Paul Friedman, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$64,349
IMPR.: \$175,243
TOTAL: \$239,592

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,870 square feet of living area. The dwelling was constructed in 1989. Features of the home include a full basement with finished area, central air conditioning, two fireplaces and an 864 square foot garage. The property has an 87,120 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within .56 of a mile from the subject property. The comparables consist of two-story dwellings of brick or frame exterior construction ranging in size from 3,983 to 4,632 square feet of living area. The dwellings were constructed from 1991 to 1994. Each comparable has a basement with finished area, central air conditioning, two fireplaces and a garage ranging in size from 713 to 891 square feet of building

area. The comparables have sites ranging in size from 46,609 to 101,059 square feet of land area. The comparables sold in June 2015 and July 2015 for prices ranging from \$635,000 to \$784,000 or from \$159.43 to \$176.12 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$239,592. The subject's assessment reflects a market value of \$722,533 or \$186.70 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for Lake County of 33.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .963 of a mile from the subject property. The comparables were improved with two-story dwellings of brick exterior construction that range in size from 3,517 to 4,167 square feet of living area. The dwellings were constructed from 1988 to 1995. Each comparable has a basement, two of which have finished area. The comparables have central air conditioning, one to three fireplaces and garages ranging in size from 720 to 999 square feet of building area. The comparables have sites ranging in size from 36,732 to 93,654 square feet of land area. These properties sold from May 2014 to May 2016 for prices ranging from \$785,000 to \$810,000 or from \$193.78 to \$230.31 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven suggested comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparable sale #3 due to its dissimilar dwelling size when compared to the subject. The Board also gave less weight to board of review comparable #1 as it sold in May 2014, which is somewhat dated and less likely to be reflective of the subject's market value as of the January 1, 2016 assessment date. Additionally, the Board gave less weight to board of review comparables #1, #2 and #3 as these properties are located outside of the subject's neighborhood, as defined by the local assessor. Furthermore, board of review comparables #1 and #3 are inferior to the subject as neither have finished basement area, unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable sales #1 and #2, along with board of review comparable sale #4. These three comparables are most similar in location, size, design, age and features. These comparables sold in June 2015 and July 2015 for prices ranging from \$635,000 and \$785,000 or from \$159.43 to \$196.74 per square foot of living area, including land. The subject's assessment reflects a market value of \$722,533 or \$186.70

per square foot of living area, including land, which falls between the range established by the best comparable sales in this record. After considering adjustments to the comparable sales for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
