

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2014 2 & Borrower LLC
DOCKET NO.: 16-05376.001-R-1
PARCEL NO.: 19-19-452-002

The parties of record before the Property Tax Appeal Board are AMH 2014 2 & Borrower LLC, the appellant, by attorney Michael R. Davies, of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,359
IMPR.: \$47,130
TOTAL: \$63,489

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 1,794 square feet of living area. The dwelling was constructed in 1993. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 477 square foot garage. The property has a .174 of an acre site and is located in Lake in the Hills, Algonquin Township, McHenry County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for 11 comparable properties. However, comparable #1 was the subject property. The Board requested that the appellant complete the grid analysis in Section V of the appeal petition. The appellant failed to comply with the Board's request and failed to disclose the comparables' exterior construction, specific design, foundation type and features such as

central air conditioning, fireplaces and garages. The comparables sold from January 2013 to August 2015 for prices ranging from \$168,000 to \$189,000 or from \$88.65 to \$112.17 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,489. The subject's assessment reflects a market value of \$190,715 or \$106.31 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for McHenry County of 33.29% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located in the same neighborhood as the subject as defined by the local assessor. The comparables are two-story dwellings of frame exterior construction built from 1993 to 1995. The dwellings range in size from 1,676 to 1,794 square feet of living area and are situated on sites containing from .17 to .205 of an acre of land area. Each comparable has a basement, three of which have finished area, central air conditioning and two comparables have a fireplace. The comparables each have a garage ranging in size from 432 to 477 square feet of building area. The comparables sold from May 2015 to June 2016 for prices ranging from \$210,000 to \$246,900 or from \$125.30 to \$137.63 per square foot of living area, including land. The board of review asserts that these five comparables suggest the subject is under assessed. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The record contains 15 comparable sales for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant. Moreover, the appellant's attorney failed to provide any specifics regarding the comparables' story height, design, exterior construction, foundation type or features such as central air conditioning, fireplaces and garages for a comparative analysis, which further detracts from the weight of the evidence. Additionally, nine of the comparables sold in 2013 or 2014, which are dated and less reliable indicators of market value as of the January 1, 2016 assessment date. The Board finds the comparables submitted by the board of review are more similar when compared to the subject in location, land area, design, exterior construction, age, dwelling size and most features. They sold from May 2015 to June 2016 for prices ranging from \$210,000 to \$246,900 or from \$125.30 to \$137.63 per square foot of living area, including land. The subject's assessment reflects an estimated market value of \$190,715 or \$106.31 per square foot of living area including land, which falls below the range established by the most similar comparable sales contained in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds

the subject's estimated market value as reflected by its assessment is supported. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
