

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AH4RPTHREE LLC  
DOCKET NO.: 16-05494.001-R-1  
PARCEL NO.: 18-23-127-016

The parties of record before the Property Tax Appeal Board are AH4RPTHREE LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the McHenry County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,149  
**IMPR.:** \$60,666  
**TOTAL:** \$65,815

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 1,713 square feet of living area. The dwelling was constructed in 1997. Features of the home include a partial basement, central air conditioning and a 443 square foot garage.<sup>1</sup> The property has an 7,227 square foot site and is located in Lake in the Hills, Grafton Township, McHenry County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted a list of seven comparable sales that sold from January 2013 to December 2014 for prices ranging from \$113,085 to \$197,000. The appellant provided no substantive descriptive information about the comparables other than that the dwellings were built from 1997

---

<sup>1</sup> Appellant's counsel provided limited information regarding the features of the subject property beyond its age and above grade living area. Descriptive details concerning the subject were provided by the board of review with a property record card and are reflected in this decision

to 1999 and range in size from 1,465 to 1,921 square feet of above grade living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$65,815. The subject's assessment reflects a market value of \$197,702 or \$115.41 per square foot of above grade living area, land included, when using the 2016 three year average median level of assessment for McHenry County of 33.29% as determined by the Illinois Department of Revenue.

In response to the appeal, the board of review noted that appellant's sales are from 2014 and the assessor's recent sales support an assessment increase for the subject property.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located in the same subdivision as the subject. The comparables consist of two-story dwellings of frame exterior construction. The homes were built from 1999 to 2001 and range in size from 1,722 to 1,778 square feet of above grade living area. Each comparable has a basement and a garage ranging in size from 402 to 496 square feet of building area. One comparable has a fireplace. No data was provided concerning central air conditioning. The comparables sold from August 2015 to January 2016 for prices ranging from \$198,000 to \$224,900 or from \$113.47 to \$128.88 per square foot of above grade living area, including land.

While the board of review noted the subject appeared to be under-valued, the board of review did not request a change in the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties provided a total of eleven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gave little weight to the appellant's evidence as it contained no substantive descriptive information about the dwellings to allow the Property Tax Appeal Board to conduct a meaningful comparative analysis of the comparable sales as compared to the subject property. Additionally, the appellant's comparables sold in 2013 and 2014, not as proximate in time to the assessment date as the sales provided by the board of review.

The Board finds the best evidence of market value to be board of review comparable sales which are similar to the subject in location, age, design, dwelling size and features. These comparables sold from August 2015 to January 2016 for prices ranging from \$198,000 to \$224,900 or from \$113.47 to \$128.88 per square foot of above grade living area, including land. The subject's assessment reflects a market value of \$197,702 or \$115.41 per square foot of above grade living area, including land, which is well supported by the best comparable sales in this record. As

Docket No: 16-05494.001-R-1

noted by the McHenry County Board of Review, the subject property appears to be under-assessed based on the best market value evidence in the record.

On this record, the Board finds no reduction in the subject's assessment is warranted

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
