

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMD 2014 2 & Borrower LLC
DOCKET NO.: 16-05499.001-R-1
PARCEL NO.: 19-30-377-011

The parties of record before the Property Tax Appeal Board are AMD 2014 2 & Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the McHenry County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,478
IMPR.: \$49,589
TOTAL: \$60,067

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhouse of frame exterior construction with 1,839 square feet of above grade living area. The dwelling was constructed in 2002. Features of the home include a full unfinished basement, central air conditioning, one fireplace and a 445 square foot garage.¹ The property has a 2,398 square foot site and is located in Algonquin Township, McHenry County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted a list of ten comparable sales that sold from June 2013 to October 2014 for prices ranging from \$116,120 to \$172,000. The appellant provided no substantive descriptive

¹ Appellant's counsel provided virtually no information regarding the features of the subject property beyond its age and above-grade living area. Descriptive details concerning the subject were provided by the board of review with a property record card and are reflected in this decision.

information about the comparables other than that the dwellings were built from 2000 to 2002 and range in size from 1,672 to 1,887 square feet of above grade living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,067. The subject's assessment reflects a market value of \$180,436 or \$98.12 per square foot of above grade living area, land included, when using the 2016 three year average median level of assessment for McHenry County of 33.29% as determined by the Illinois Department of Revenue.

In response to the appeal, the board of review submitted a detailed grid analysis of the appellant's comparable sales #1 through #4, noting the appellant's comparable sales are dated while the assessor's comparable sales support an assessment increase for the subject property.

In support of its contention of the correct assessment, the board of review submitted information on six comparable sales located in the same subdivision as the subject. The comparables consist of townhouses of frame exterior construction that were built from 1998 to 2002 and range in size from 1,701 to 2,072 square feet of above grade living area. Five comparables have a basement, with one having finished area. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 407 to 471 square feet of building area. The comparables sold from March 2015 to May 2016 for prices ranging from \$165,000 to \$232,500 or from \$96.63 to \$112.21 per square foot of above grade living area, including land.

While the board of review noted the subject appeared to be under-valued, the board of review did not request a change in the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties provided a total of sixteen comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gave little weight to the appellant's evidence as it contained no substantive descriptive information about the dwellings to allow the Property Tax Appeal Board to conduct a meaningful comparative analysis of the comparable sales as compared to the subject property. Additionally, the appellant's comparables sold in 2013 or 2014, not as proximate in time to the assessment date as the sales provided by the board of review.

The Board finds the best evidence of market value to be board of review comparable sales which are similar to the subject in location, age, design, dwelling size and features. These comparables sold from March 2015 to May 2016 for prices ranging from \$165,000 to \$232,500 or from \$96.63 to \$112.21 per square foot of above grade living area, including land. The subject's

assessment reflects a market value of \$180,436 or \$98.12 per square foot of above grade living area, including land, which falls within the value range established by the best comparable sales in this record. Based on this record, the Board finds no reduction in the subject's assessment is warranted

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
