

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2014 2 & Borrower LLC  
DOCKET NO.: 16-05502.001-R-1  
PARCEL NO.: 10-32-285-003

The parties of record before the Property Tax Appeal Board are AMH 2014 2 & Borrower LLC, the appellant, by attorney Michael R. Davies of Ryan Law LLP in Chicago; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,276  
**IMPR.:** \$26,965  
**TOTAL:** \$30,241

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story townhome of brick and vinyl siding exterior construction with 1,456 square feet of above grade living area. The dwelling was constructed in 2004. Features of the home include a crawl space foundation, central air conditioning and a two-car garage.<sup>1</sup> The property has a 9,600 square foot site and is located in Lakemoor, McHenry Township, McHenry County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted a list of four comparable sales that sold from December 2012 to August 2014 for prices ranging from \$63,800 to \$80,000. The appellant provided no substantive

<sup>1</sup> Appellant's counsel provided limited information regarding the features of the subject property beyond its age and above-grade living area. Descriptive details concerning the subject were provided by the board of review with a property record card and are reflected in this decision.

descriptive information about the comparables other than that the dwellings were built from 2004 to 2007 and range in size from 1,456 to 1,646 square feet of above grade living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,241. The subject's assessment reflects a market value of \$90,841 or \$62.39 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for McHenry County of 33.29% as determined by the Illinois Department of Revenue.

In response to the appeal, the board of review noted that based upon the two comparable sales gathered by the township assessor, the subject is under-assessed.

In support of its contention of the correct assessment, the board of review submitted evidence provided by the McHenry Township Assessor's office, which included information on two comparable sales located in the same neighborhood as the subject property. The comparables were improved with two-story townhomes with each containing 1,456 square feet of above grade living area. The dwellings were built in either 2005 or 2006. Each comparable features central air conditioning and a two-car garage. The comparables sold in July 2015 and March 2016 for prices of \$98,000 and \$125,000 or for \$67.31 and \$85.85 per square foot of above grade living area, including land.

While the board of review noted the subject appeared to be under-valued, the board of review did not request a change in the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties provided a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. Little weight was given to the appellant's evidence as it contained no substantive descriptive information about the dwellings to allow the Property Tax Appeal Board to conduct a meaningful comparative analysis of the comparable sales as compared to the subject property. Additionally, the appellant's comparables sold in 2012, 2013 and 2014, not as proximate in time to the assessment date as the sales provided by the board of review.

The Board finds the best evidence of market value to be the two comparables submitted by the board of review. These comparables are located in the same neighborhood as the subject and practically identical to the subject in dwelling size, design, age and features. These comparables sold in July 2015 and March 2016 for prices of \$98,000 and \$125,000 or for \$67.31 and \$85.85 per square foot of above grade living area, including land. The subject's assessment reflects a

market value of \$90,841 or \$62.39 per square foot of above grade living area, including land, which falls below the two best comparable sales in the record. As noted by the McHenry County Board of Review, based on the best market value evidence in the record, the subject property appears to be under-assessed.

On this record, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
