

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AMH 2015 1 & Borrower LLC
DOCKET NO.: 16-05514.001-R-1
PARCEL NO.: 18-12-182-012

The parties of record before the Property Tax Appeal Board are AMH 2015 1 & Borrower LLC, the appellant, by attorney Michael R. Davies, of Ryan Law LLP in Chicago; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,118
IMPR.: \$39,577
TOTAL: \$43,695

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhome of frame and brick exterior construction with 1,531 square feet of above grade living area. The dwelling was constructed in 2004. Features of the home include a basement, central air conditioning and 484 square foot garage. The property has a 1,051 square foot site and is located in Crystal Lake, Grafton Township, McHenry County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted limited descriptive information for four comparable properties. The comparables were built in 2004 or 2006 and range in size from 1,531 to 1,682 square feet of above grade living area. The comparables sold from February 2013 to April 2014 for prices ranging from \$115,000 to

\$130,000. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,695. The subject's assessment reflects a market value of \$131,256 or \$85.73 per square foot of living area, land included, when using the 2016 three-year average median level of assessment for McHenry County of 33.29% as determined by the Illinois Department of Revenue.

In response to the appeal, the board of review argued the appellant's sales sold in 2013 and 2014, when more recent sales were available that support the subject's assessment or higher.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within the subject's subdivision. The comparables are described as one, two-story and two, one-story townhomes of frame and brick exterior construction containing 1,225 or 1,531 square feet of above grade living area. The comparables were built from 2003 to 2006. One comparable has a fireplace and each comparable has a basement and a garage with 428 or 484 square feet of building area. The board of review's grid analysis did not disclose whether the comparables have central air conditioning. The comparables sold from October 2015 to May 2016 for prices ranging from \$135,000 to \$162,500 or from \$89.48 to \$132.65 per square foot of above grade living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparable sales for the Board's consideration. Less weight was given to the appellant's evidence as it contained limited descriptive information about the dwellings to allow the Property Tax Appeal Board to conduct a meaningful comparative analysis of the comparable sales to the subject property. In addition, the comparables sold in 2013 and 2014, not as proximate in time to the assessment date as the sales provided by the board of review. The Board finds the best evidence of market value to be the board of review comparables. These properties sold from October 2015 to May 2016 for prices ranging from \$135,000 to \$162,500 or from \$89.48 to \$132.65 per square foot of living area, including land. The Board recognizes that comparables #1 and #2 are dissimilar in design and have a smaller dwelling size when compared to the subject. Most weight was given to board of review comparable #3 that is identical to the subject in design, exterior cover, dwelling size and most features. This comparable sold in October 2015 for \$137,000 or \$89.48 per square foot of above grade living area which is higher than the subject's estimated market value as reflected by its assessment of \$131,256 or \$85.73 per square foot of above grade living area, including land.

Docket No: 16-05514.001-R-1

Based on this record, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
